THE TOWN RECORD

By MONTE DAYTON

Saturday night's Colma fire department ball at the community center was really a ball.

One of the party timers was found in the washroom the following morning about breakfast time, but was in no condition to take breakfast.

If you were at the S. F. airport Tuesday about 5:50 p.m. and had $16 in your jeans you could have picked up a quart of lady bugs (that's 135,000 ladybugs to be exact) from G. C. QUICK of Phoenix, Ariz., who's known as the "Lady Bug King" of the United States.

Quick stopped over at the airport about an hour while en route to Seattle, where he plans to swing a big deal involving several million bugs.

While here he visited with daughter GLADYS HOLUB of Daly City, who lives at 20 Second avenue, apt. 4, with her husband, FRANK, who manages a SF theater.

It was the first time in 19 years he had seen his daughter, what with ladybugs keeping him on the go all the time.

Glady's pop started out as a crop-duster, then discovered, much to his and his client's profit, that nature's lady bugs were much more efficient with pest insects than dust sprayed from an airplane.

If you care for a quart, just send 16 bucks to Phoenix and you'll get back 135,000 of the critters, air mail.

Attorney THOMAS JENKINS, president of the controversial League for Better Schools, is now past-president.

He's leaving tomorrow for Guam, where he has been engaged for some legal work for anywhere from 3 months to a year.

MRS. JACK WHITE, vice president, will take over his duties

BILL DEGLIANTONI, well-known local mender and builder of roofs, is on the sick list. Won't be able to be on the job for a while. Doctor's orders.

The local C of C is having a small fit of apoplexy over announcements that a councilman-elect was responsible for swinging the independent post office.

The mayor said last week at dedication ceremonies, "DE BERNARDI carried the ball to the five-yard line and the Chamber pushed it over."

It wasn't that-a-way, Chamber members howl.

Anyway, who kicked for the extra point?

Asst. pro at Lake Merced BOB MOORE (who, incidentally was given the pro job at Meadow club in Fairfax this week) told BOB CARDINAL, hustler for the SF Jr. C of C's $10,000 tourney at Lake Merced this week, that DC cop chief ROLAND PETROCCHI ought to be given one of the dozen invites to the tourney, just as a courtesy measure.

Cardinal says, "If he wants to play, he'll have to qualify just like anybody else."

So Petrocchi qualified Tuesday with a 76, three strokes better than Cardinal's qualifying 79.

Judge Bocci Receives Council Commendation

A resolution of commendation for Judge Thomas L. Bocci, municipal court judge was passed by the City Council during the Monday night meeting.

Judge Bocci was commended, after the first anniversary of the creation of the municipal court, for his fine work and effort as judge.

CAPACITY CROWD ON HAND FOR COUNCIL INSTALLATION

PART OF THE record crowd that over-flowed the council chambers last week for installation of three new council members is shown here giving a hand for parents of newly-installed Mayor Joe Verducci. The crowd, estimated at 150, was the largest to attend a council meeting in more than two years.

THE RECORD photo

TRIO OF NEW COUNCILMEN IS OFFICIALLY SWORN IN

OFFICIALLY taking their seats as members of the Daly City council are (left to right) Micheal De Bernardi, Sanford Vickers and Del Wilson, after being sworn in by City Clerk B. C. Ross, at extreme left, in installation ceremonies held at city hall last week. The new council, with Joseph Verducci as mayor, settled down to work Monday night in their first business meeting.

THE RECORD photo.

See No Immediate Personnel Changes

A shake-up in the police department, as hinted around town Friday and in a story printed by a San Francisco newspaper, was steadfastly denied by the new city council Monday night at their first regular business meeting.

Joseph Verducci, newly-appointed mayor, told the some 100 persons assembled in the council chambers, "The Daly City council contemplates no immediate changes. After it has carefully scrutinized the work of all departments, changes will be made, wherever necessary, for the best interests of the city."

A story carried in a metropolitan newspaper Friday hinted that R. A. Petrocchi, police chief, would be relieved of his duties because he was "too well identified with the 'Paul Green group'!" Green, along with James Kennedy and Anthony Gaggero, failed in their efforts for re-election to city council.

The story said that James L. Quigley, San Francisco police officer, was being sought by the new council for the police chief post.

Quigley told THE RECORD this week, "Sure I was contacted about the job, but I thought it was just a gag pulled off by some of my old friends out there." Quigley formerly had Daly City on his beat when the San Francisco police force used mounted police to cover the southern area of San Francisco. His wife was born here and he had resided here for several years.

Quigley said the party who called him would not identify himself. "I told him I'd take the job if it paid enough money," he continued.

All five of the councilmen denied Monday night that it was they who had contacted Quigley.

Immediate effect of last Friday's startling announcement was a telephone siege at the homes of the new councilmen. Irate citizens who back Petrocchi asked the councilmen "what's going on?" One councilman-elect said a disgruntled caller even threatened to start a recall election against him if Petrocchi were ousted.

Vic Baher, member of the Daly City police commission, said, "I was the most surprised man in town," when he read Friday's story.

Baher said to his knowledge the commission had never discussed removing Petrocchi from the chief position. Tony Ricci, chairman of the police commission, could not be reached for comment.

JEFF HI OK'S THREE TEACHERS FOR TENURE

In direct contrast to last year, the Jefferson High School board of trustees Monday night re-hired all teachers coming up for tenure, thus placing them in permanent employment at the school.

Last year Jefferson was for the first time faced with a ruling that all teachers re-hired for the fourth consecutive year or more must be classified as permanent. The trustees cut 11 teachers from the school by failing to renew their contracts.

Only three teachers came up for tenure Monday and all were re-elected. They were: John Ivan, chemistry and mathematics teacher; George Hinkle, commercial instructor; and Alfred Runnels, instrumental music and band teacher.

Resignations from two teachers were accepted by the board Monday.

Resigning were Miss Bernice McNaught, girls physical education instructor, and Edward Shaver, history teacher. They had both been there one year.

Trustees Mildred McGeein and Ann Eason were named Monday to aid Miss Elizabeth Jones, faculty member, in selecting furniture for the dining area and living area in the home economic department's new quarters.

A special board meeting may be held Monday night to go over the latest draft on preliminary plans for the proposed Westmoor high school.

Girls Injured In Pedestrian-Auto Mishap Sunday

Two seven year old girls were struck and slightly injured by an automobile while crossing Mission street Sunday afternoon.

Sharon Lee Adams and Cheryl Kaye Angeli, both of 89 Muirwood, suffered cuts and bruises when Jerry Prewitt, 17, 3521 Alemany boulevard failed to see them start across the street.

Prewitt, traveling in the fast lane, reported that a car traveling next to him, in the right hand lane, limited his vision. Prewitt stated that both cars slowed for

(Continued on Page 2)

New Council Maps Changes In City Policy

DC BUDGET MAY HIT MILLION

Daly City may make the "million-dollar" class this year.

City Administrator Dan Andersen, who is currently working on the 1954-55 city budget, said that the figure may hit $1,000,000.

Budget for the present year is $865,000.

Expansion of police and fire department personnel and equipment are major items in the predicted budget increase.

As it now stands, the tax rate for the coming fiscal year will probably remain the same, Andersen said. The present rate is $1.38 per $100 assessed valuation.

In addition to a sizeable increase in assessed valuation which will bring more tax revenue into the city's coffers, Daly City will receive $60,000 more in state allocations because of a 9000 population increase shown in a special census this year.

These two factors account for the belief that there will be no increase in the tax rate.

Runaway Car Strikes One, Hits Parked Auto

Frank Ott, 54, of 1195 Hillside boulevard was slightly injured and a 1953 Kaiser was damaged Saturday when Ott's car rolled down Alp street and struck the parked Kaiser belonging to Nick Ceardella, 35.

Ott was injured while attempting to stop the run-away car by reaching the hand brake. The momentum of the car knocked him off balance and threw him to the street. He was not seriously injured.

The 1938 Pontiac, belonging to Ott, was parked on Alp street, facing west, when another car was parked too close to it. The driver inadvertently locked his front bumper over the trailer hitch on the rear bumper of Ott's car.

"When I got out of the car to pry the vehicles apart I failed to put on the handbrake. When I had disattached the cars my vehicle moved west, striking the other car head on," Ott stated.

Ott was cited for failure to set hand hold.

HEARINGS CLOSED ON REZONING SEVEN AREAS

Requests for the rezoning of property in Daly City were read during the Monday evening meeting of the City Council. Public hearings on the applications were closed when no objections, written or oral, were filed.

The following lots are involved in the rezoning moves.

1—Portion of lot I, block 15, the Schoolhouse Homestead association subdivision, Langford property, Allemany street, from a B-3 to a C-1 classification.

2—Portion of lot II, block 15, Schoolhouse Homestead Association subdivision, Sanguinetti property, corner of Market and First streets, from a R-3 to a C-1 clasification.

3—Portion of lot 53, block 4, Castle Tract, Vallerga property, School street, from a R-1 to a R-3 classification.

4—Lots IX and X, block 5, Schoolhouse extension, Land association subdivision, Garibaldi property, from a C-1 to an industrial classification.

5 — Lots XX, XXI, XXII, XXIII, XXIV, and XXVII, block 3, $75 lot homestead, from unclassified to a C-1 classification.

6—The Callan property, Sullivan and Broadmoor avenues at 89th and 91st streets, from unclassified to a R-3 classification.

7—The "Cabbage Patch," from unclassified to a C-2 classification.

LOCAL REALTOR FINED $500 IN MUNI COURT

Because of his "moral turpitude and complete disregard for the laws of the state," Fred Needles, a real estate salesman of 82 Garwood drive, was fined $500 in Judge Thomas L. Bocci's municipal court yesterday (Thursday).

Needles pled guilty to charges of running a stop sign and using a fictitious name in order to obtain a drivers license.

Police said when they stopped Needles April 1 after he had run a stop signal at Mission and Gambetta street he showed them a li-

(Continued on Page 2)

LIST PROJECTS IN ORDER OF PRIORITY; SPECIAL FINANCE MEETING ON TUESDAY

Translating platforms into policy, the new city council waded through two and a half hours of organizing Monday night to outline what appears to be an entirely new approach to municipal problems.

The councilmen gathered in the city administrator's office, following the public meeting in the council chambers, and listed projects according to priority.

First aspect of city business to come under the new council's scrutiny will be finance. A special meeting was set for Tuesday night at 7:30 to discuss the city's money problems.

Mayor Joe Verducci called on city attorney Frank Blum and city administrator Dan Anderson to give the new council the complete picture on the city's financial status. "We want to know the legal status of the council with respect to the city treasurer. How do they correlate and who has what jurisdiction?" Verducci asked.

Fund Transferral

Information on transferral of funds was also requested by the council. In the past money has been transferred from one fund to another to facilitate different projects.

Verducci also called for a uniformity of records, and suggested that the city clerk and treasurer adopt identical systems of keeping books. At present the two are using different methods.

Next on the priority list for the new council was transportation. Last Friday's meeting between the councilmen and San Francisco muni railway officials was discussed. Alternate plans that have been offered to date are subsidation of the buses by Daly City, a zone system, an overall raise in fares, of use of jitney service.

"Let's Get Organized"

Verducci said it was time to organize all interested groups and areas on the bus question. To date, he said, "various persons have contacted the muni people, all with different proposals and all claiming to represent the area. Let's get these people together so the muni railway will know who they're speaking to when they're approached again."

Outcome of the council's study on transportation was a decision to get all interested representatives together and draft a plan

(Continued on Page 2)

MAY BRING BILLING BACK HOME

Seek To Have Water Bills Handled Locally

First public meeting of the new Daly City council, Monday, was marked by its brevity, as the session, held before a crowd of 100 persons, lasted only 35 minutes.

Major item of business was a motion by Councilman Micheal De Bernardi to investigate the possibility of having water department billing done locally.

At present the service is being provided by Remington-Rand Co. at a contract rate of $300 a month. However, the contract calls for addition of extra charges against the city for miscellaneous services. Last month the bill ran to $799.82.

De Bernardi suggested that perhaps the city could purchase its own machine and have local personnel do the billing.

The motion was passed unanimously and Al Hertel, clerk of the water department, will be asked to make a survey of billing apparatus used in different cities to determine what Daly City's water department needs are.

H. H. Smith rose from the audience to ask the council what the status of Brunswick street was. City Engineer Ed Smith said that the city was waiting for state approval on new specifications.

Bid for completion of the extension has already been awarded, but recently H. H. Smith and John Dykman, property owners in the adjacent area, sought changes.

The plans have been revised

(Continued on Page 2)

Eight DC Golfers Open Today In Merced Play

The $10,000 San Francisco Open and Pro-Amateur championship got underway this morning (Friday) at Lake Merced Golf & Country club in Daly City, as some of the world's classiest golfers began whamming them down the fairway.

Daly City enters the tourney well represented in the amateur division as five local swingers qualified in rounds held Tuesday at California and San Francisco clubs. One pro in the tourney, Bob Moore, assistant professional at Lake Merced, hails from this city.

Daly City's golfing cops, Chief Roland Petrocchi and Art Linhares, both went out today in morning rounds. Petrocchi, who qualified Tuesday with a 76, drew George Buzzini, Mt. Diablo pro, in the pairings. Buzzini is known as a steady golfer and has given good accountings of himself in northern California tourneys.

Their team went out at 9 a.m. Linhares, qualifying with a scorching 73, second best round at the California club, went out at 11:08 a.m. today with pro John Zontek.

Bob Silvestri, state amateur champ in '52, who hails from Westlake, teed off at 11:52 a.m. with partner Tony Petrucci. Silvestri, an amateur, was given one of the few invitations to the event.

Fair Squeaks In

George Fair, head custodian and bus driver at Jefferson Union High school, barely squeaked into the tournament. He, along with 10 other hopefuls, shot an 81 at California club in the qualifying rounds Tuesday. It took 80 to qualify. However, they needed one more amateur to even things up so Fair and the nine others started another round. Fair birdied the five-par first hole to best the other competitors and win the right to play in the tournament.

Coincidentally, he drew Pat Markovich, brother of Pete Markovich, well-known Daly City figure, as partner.

Daly City's Syl deLuca goes out at 1:48 p.m. today, paired with John Fege. DeLuca qualified with a 79 at the California club.

Father, Son Play

A Daly City father and son set will be represented, but not as a team. Jefferson High school's John Geertsen Jr. qualified with a 78 at California club and is coupled with Art Bell. His father, John Geertsen Sr., a professional, is paired with Walt Brotschneider. John Jr. went out at 9:56 a.m. this morning for the first round, while his father teed off at 10:12 a.m.

Parking is Problem

Parking will pose the big problem for the three-day golfing extravaganza, as the event is expected to draw more than 30,000 persons. Daly City's police force will join approximately 100 officers from San Francisco to handle the anticipated crowd.

Parking facilities for players and press only will be available in the club lot, while spectators will have to get a spot at one of the many parking lots or along Junipero Serra boulevard. Parking will be allowed from the Serra-Knowles

New Council Maps Changes In City Policy

(Continued from Page 1)

that will meet with the approval of the most people and the muni railway.

Transportation will also be a topic at Tuesday's special meeting.

Commissions was placed No. 3 in importance by the municipal officers. Selection of a parking authority and naming someone to fill Sanford Vickers place on the planning commission will be taken care of at the earliest possible date.

Call In Departments

Another radically new policy, that of calling periodic meetings of the council and city department heads, was placed next in order of urgency by the councilmen.

The move will be made in order to keep the council posted on all doings in the various departments and to hear complaints and suggestions from the department heads.

Verducci said this special meeting would probably be held within the next two weeks.

On May 20, the council will gather again with department heads and commissioners for a dinner at Lake Merced Golf & Country club.

Sixth topic in order of importance set by the neophyte council was the hiring of a city engineer. Engineer will assume full charge of all public works projects, and the water department superintendent, Gus Ford, will be subordinate to him.

Preparation of the 1954-55 budget, although tied in directly with the council's finance study, will be taken up in seventh order.

Commission Meeting

The council also called for a meeting to be held with the various commissions, date to be established later.

Councilmen agreed to follow up on a resolution urging establishment of a traffic fines bureau in Daly City. At present all such matters must be taken care of in South San Francisco. The resolution was passed last year. Andersen was asked to check with the county board of supervisors as to the fate of Daly City's resolution.

Street Program

Suggestion was made Monday that the city launch an over-all street improvement program. Verducci suggested that this be carried out as time and personnel permitted.

Under the category of cleaning up the city, Andersen told councilmen that an ordinance giving Daly City police power over removing junk abandoned on private property was being drafted. It is believed the councilmen plan to enforce this ordinance to clear out abandoned vehicles and other eyesores from the city.

A letter to the recreation commission asking over-all cost of current and proposed projects was called for by the council.

Verducci asked the city administrator to show him copies of all correspondence as soon as it was sent out so the council could be kept up to date on all transactions.

Under the new city regime, it is expected that decisions of Daly City's commissions will be given more weight. Builders who came to the council after the regular meeting Monday night with a personal request were told that they would have to take their business before the planning commission first.

Deadline Placed

The new council also gave notice that any persons having dealings with the council, regardless of who they are, will have to notify the city administrator on the Friday preceding the meeting or their business will not be taken up.

Verducci said, "I don't see any reasons why a favored few should bring their personal problems direct to the council after the open meeting while other people have to wait the required time to get their business on the agenda."

Will Select Sanitation District Officers May 10

Officers of the newly-appointed board of directors of the North San Mateo County Sanitation district will be named May 10 at a meeting to be held at 2 p.m. in the council chambers.

Monday night Councilmen Edward Dennis and Sanford Vickers were chosen to the sanitation district board, replacing James Kennedy and Anthony Gaggero, former city councilmen. According to bylaws of the sanitation district, two of the board members must be named from the Daly City council.

Thomas J. Callan Sr., member of the county board of supervisors, will remain on as a director for the sanitation district.

Eight D.C. Golfers Open Today In Merced Play

(Continued from Page 1)

intersection to the Broadmoor shopping area.

Play will be of the pro-amateur type, with an amateur teaming with a professional.

Prize Money

A total of $3000 will be split up in the pro-amateur competition, with the pro on the winning team receiving $600 and the rest being divided up among other top finishers.

Remainder of the prize money, $7000, will go to individual pros, with the player turning in best medal score for 54 holes taking home 20 per cent of the loot, which will amount to $1400. Rest of the money will go to runners-up.

Some of the pros, most of whom just arrived from the Las Vegas Tournament of Champions, who will be competing today and over the weekend are: Gene Littler, winner of the 1953 national amateur title; Carry Middlecoff, Porky Oliver, Art Wall, Al Besselink, Bob Bob Rosburg, and many others.

Gallery fee for today is $2, while $3 a day will be charged for Saturday and Sunday.

Holding of the competition here marks the first time since 1946 that a golf tournament of major import has been held in the Bay Area.

Local Realtor Fined $500 In Muni Court

(Continued from Page 1)

cense that carried a name other than his own. According to police, Needles had previously had his license revoked and gave the fictitious name in order to obtain a new license.

Originally Needles had pled innocent and demanded a jury trial, which had been scheduled yesterday.

Before the trial began, Needles withdrew his original plea and changed it to guilty.

Bocci levied a 120 day jail sentence on Needles, which he suspended after Needles paid a $500 fine. He was also placed on probation for one year.

Attorney John Putkey of Daly City repersented Needles.

May Bring Billing Back Home

(Continued from Page 1)

and therefore, although the original bid will still apply, the state must re-approve the plans. Letters of authorization from H. H. Smith and Dykman also must be obtained, but this is expected to be only a formality.

Edmund Cavagnaro, chairman of the recreation commission, spoke from the audience and told the council that "something has to be done" about the crossing on Mission street near Alp.

He said Sunday he witnessed an accident in which a car sideswiped two young girls. "If the driver had not been alert those children might have easily been killed," Cavagnaro said.

Mayor Verducci said that the schools have undertaken a safety program to avoid such happenings and that in this case the accident was probably the result of carelessness on the part of the youngsters.

The council told Robert Hunter, Chamber of Commerce president, that they would proceed within the next few weeks with appointment of a Daly City parking authority.

Youth, 16, Leaves Home To End Family's Worries

Kenenth Paul (Craig) Klees, 16, of 225 Los Olivos avenue disappeared from the home of his parents on April 21 after leaving a message that he wouldn't be around to worry them any more.

Young Klees, a student, is believed to be headed for Fresno with a girl friend.

The note, addressed to his mother, was written on the back of a pencil sketch of Christ's head inscribed with the word "God."

"Don't get worried, cause all I ever gave you and Dad is worry; this way you won't have to, I won't be around," Klees wrote.

The boy was wearing a gray suit coat, gray cords, black shoes, a gold colored shirt and a rosary around his neck. He left home at about 1:50 a.m.

Klees is 5 foot 6 inches tall and has brown hair and eyes.

Girl Injured In Pedestrian-Auto Mishap Sunday

(Continued from Page 1)

an approaching intersection and the other car came to a complete stop.

"I thought that he was going to make a right hand turn. Actually he had stopped to allow the kids to cross the street, but I didn't know that until they ran in front of me," Prewitt said.

The youth swerved when he saw the girls but they were knocked down by the right front fender.

Sharon Adams had to have three stitches taken in a badly cut ear. Cheryl Angeli suffered bruised and cut knees and legs. X-rays revealed that neither girl had sustained internal injury.

"I don't believe we will take any legal action against the boy," Mrs. Adams said. "We feel we are very lucky that the children were not seriously injured."

More Auto Parts Disappear From Car Lot, Residence

Complaints from two local men added a radio, a radio antenna, an electric clock, a spotlight, a tire and wheel, a battery charger and $2 worth of gas to the rapidly increasing list of items stolen from Daly City cars.

Don Gilmore of Don Gilmore Chevrolet company, 7300 Mission street, reported that the radio and antenna had been removed from a 1952 Chevrolet, that a wheel, tire and electric clock had been stolen from another Chevrolet, also a 1952 model; and the spotlight was taken from a 1949 Ford, while the automobiles were parked in his used car lot.

According to Gilmore, the cars had been locked Sunday evening when he left the lot. Monday morning the theft was noticed.

According to the police, the cars show no signs of a forced entry. The office, where the key board is kept, apparently had not been broken into either. Police feel that the culprits may have had keys in their possession which would operate the locks on the models attacked.

Orville Slason, 672 Evergreen avenue, reported that a battery charger had been removed from his car and $2 worth of gasoline siphoned from the gas tank while the vehicle was parked in the street in front of the Slason residence, Thursday night.

Slason described the charger as being six volt with a 314½ amp capacity. The brown metal box is 8"x6"x4". It is valued at about $10.

EARLY INDIAN EDUCATION

Prior to the coming of the Franciscan missionaries the Indian youths of New Mexico were taught the meaning of tribal dances and legends.

HOLD OVER BIDS ON BIG SCHOOL PROJECT

Awarding of contract for work on Colma school primary addition, largest project scheduled for this year by the Jefferson elementary school district, was held under advisement Thursday by the board of trustees until "technicalities are settled."

Low bid submitted on the job, which entails adding 10 classrooms to the Colma school at Hillside and Market street, was $230,540 entered by Elvin Stendall of San Francisco.

Of the six bids submitted they ranged to a high of $253,408.

H. Z. Weibel, superintendent of the district, said a special meeting would be held in the near future to award the contract. He explained there was some question as to whether all the companies had figured a sewer line in their bids.

Completion of the school is scheduled for one year from now.

It will accomodate grades from kindergarten through fifth, and will make the Colma school continuous through the eighth grade. Children from new developments in Sterling Park, Callan Heights and Lagomarsino projects, will attend the school.

It is also expected to take some of the load off Woodrow Wilson.

The building will be of frame and stucco construction, in keeping with the new Colma school building now nearly completed.

Callan Ired Over Granting Bayshore Card Room Permit

Repercussions were still being felt this week over the recent granting of a card room permit to a Bayshore city establishment.

Last week the board of supervisors, in a three-two vote, approved the granting of a card permit to a place on 2905 Geneva avenue, owned by Stanley Allen Foss.

Supervisors Martin Poss and Thomas J. Callan of Colma voted against approving the permit.

Forty-two Bayshore City residents and the PTA came out foursquare against approval, arguing that the Geneva avenue clubroom was too close to the school and the Scout hall.

Callan, who bitterly fought the measure, said this week that Bayshore City promises to become a "Little Reno."

Those voting for issuing the permit argued that Foss's character had been cleared by the district attorney and sheriff.

"We're not supposed to vote on the man's character, we're concerned with his motives," Callan insisted.

The card room, located across the street from a hall where scout, cub and brownie meetings are held and one block from the elementary school, will be open two days a week.

COP SERGEANT LAUDED BY COMMISSION

August Benassini, sergeant on the Daly City police force, received high commendation from the Daly City police commission last week for his efforts in saving the life of Eugene Lippert on April 19.

Lippert was asleep in his home on April 19 when a fire broke out and Benassini crawled into the bedroom to remove him from the burning home.

The commission in a letter to Chief R. A. Petrocchi and the city council said: "The police commission would like to take this opportunity to commend you for your valorous act in saving the life of Eugene Lippert on April 19.

"The police commission is indeed proud to have men like yourself whose devotion to duty excludes all thought of personal safety."

The letter of commendation was signed by Tony Ricci, chairman, Edmund Whitney, and Vic Baher.

Local Students Win Honors In Two County Contests

Five Jefferson high school students won honors in two county contests during the past week.

Marcia Anderson, a junior, won first place in the San Mateo county Americanism essay contest sponsored by the American Legion auxiliary.

Also placing in the Americanism essay contest were, Dolores Johnson, first in the ninth grade; Roberta Taylor, second, and Ada Tarkington, third in the 10th, 11th, and 12th grade division.

Two first place awards were received by local high school students in the Bank of America achievement contest.

Walace Honeywell took the honors in the liberal arts division and John Wiesner received first in the science and mathematics division of the Bank of America contest.

Roberta Taylor and Carol Bertelli also placed in the achievement contest. Miss Taylor took second place in the liberal arts field and Miss Bertelli won fourth in the vocational arts division.

According to Stanford Hannah, district superintendent, both Wiesner and Honeywell are seniors and have been active in sports and other student activities. They and Roberta Taylor are straight "A" students.

"We are proud of these students," said Hannah. "These boys and girls are a credit to their parents, the school and themselves," Hannah continued. "This record, plus the outstanding records of our students at the University of California, indicate the high standards maintained by our school. Results are what county and these results come from hard work, good teaching and proper backgrounds."

PTA Executive Board Discusses Plans For New Term

The executive board of the Colma PTA held its first meeting at the home of Mrs. G. Bertucci, 185 B street.

The new chairmen, numbering 20, discussed the May Day festival to be held at the Thornton school May 3. Mrs. Sanford Vickers is chairman of the event.

According to publicity chairman Mrs. N. Sontag, Maypole dancing, queens and refreshments will be included in the afternoon's entertainment. The festival will begin at noon and continue until 2:30 p. m.

Coming events discussed by the group were the sunshine and sewing group meeting to be held at the home of Mrs. Staten, 540 B street, May 10, and the first regular meeting of the PTA. The meeting will be held in the Home Arts room at Thornton school at 7:30 p.m., May 3. A movie will be shown.

GOOD FIRST-NIGHT PERFORMANCE

After witnessing Monday night's initial meeting of the new city council, we are optimistic about Daly City's future.

Although three of the councilmen are virtual "green horns" in this business of running a city, they attacked municipal problems with a sincerity and gusto Monday that bodes well for things to come.

Instead of grasping out at random for sundry pet projects, the new council has outlined their business in order of priority in an organized and intelligent fashion.

Mayor Joe Verducci at the helm has already proven he has the ability to organize and the insight to handle the many facets of government in a city of 25,000.

Another good sign witnessed Monday was the action by Councilman De Bernardi to bring business back to Daly City.

He moved that water department billing be taken away from the San Francisco firm and handled locally, thus giving employment to Daly City residents.

We are firm believers of keeping Daly City business in Daly City.

Obviously, the new council has a gargantuan task before them, but, as the old platitude goes, "so far, so good."

Letters To The Editor

Acting President Of School League Says Happy To See Interest In Trustee Races

Dear Editor:

Regarding the newly formed organization known as the League for Better Schools which was represented by some 26 local organizations, I am happy to say this helped bring about the greatest amount of public interest ever shown for the office of School Trustee. The interest stimulated is signified by the number of candidates who have filed—fourteen in all. I personally feel the job has been well done and it is now the responsibility of the electors to exercise their prerogative by going to the polls and voting for the person they feel is best qualified.

The committee did everything in its power to be fair, evaluating each individual as to background and other essential qualifications necessary for the office of Trustee. For those whose names never came within its power to screen, the committee is happy to know they are taking an interest in school problems.

The League for Better Schools organization wishes to thank all those who participated in bringing about something that has never existed before in the history of the Jefferson Elementary School District and that is the number of candidates who have filed to run for the office of School Trustee.

Mrs. Jack White
Acting President
League for Better Schools

LION TALES

By Joseph Belli Jr.

In honor of public schools week the members of the Lions club were taken as a group and escorted individually through Jefferson Union High school and were shown the functions and operations of various class rooms. Many thanks go to Lion Stanford Hannah for arranging this special program on Wednesday.

Guest speaker for Wednesday, May 5, will be Frank Jacobs of the Union Oil Co. of California and he will speak on "Oil in a Century of Progress."

Henceforth this column each week will endeavor to bring to its readers the organization of the Lions club, how it functions and the various committees. Committees are formed or are under two separate groups, namely administrative committees, consisting of attendance; constitution and by laws, conventions, finance, Lions information, membership, programs, and publicity. The other group is activities committees composed of agricultural, boys and girls, citizenship and patriotism, civic improvemtnt, community betterment, education, health and welfare, safety, sight conservation and blind, and United Nations.

The above committees are under the supervision of a chairman and in some instances with several members under the chairman, depending on the importance of the committee.

Get in the highway-clean-up game. Carry a paper bag in your car for litter and trash. Deposit it in wayside receptacles. Don't throw trash from your car.

BUILDING WILL BE AVAILABLE NEXT WEEK

Frank Micheletti, former superintendent of the Colma branch of the San Francisco postoffice, will be the superintendent of the new Westlake substation of the Daly City post office when it begins operation sometime in May or June.

The new branch will be located, temporarily, at 311 So. Mayfair avenue. The permanent structure will be built in the area but exact location and date of construction are still unknown, according to Daly City Postmaster Vincent Murphy.

Authorization to remodel the temporary site for the postoffice will come through May 6, Murphy said. The station will open as soon after that date as possible.

The Crown Drug company limited service branch will close 30 days after the new substation commences operation, Murphy explained.

Micheletti, 57, was born in Colma. He attended Jefferson elementary school and Jefferson Union High school and Heald's Business college in San Francisco.

The new superintendent worked for two years at the Bank of South San Francisco and was in business for himself, as agent for the Hartford Insurance company, for several years.

In 1935 Micheletti was appointed Postmaster of the Colma post office. The Colma office was made a branch of the San Francisco office on February 1, 1943. From that date until April 7, 1954, he was superintendent of the Colma branch office. Since April he has been working at the Hunters Point station.

Micheletti's employment with the Colma office covered a span of 19 years.

"I'll be awfully glad to get back to that area," Micheletti commented. "I was born and raised in Colma and it will be like coming home again to be serving the people of the Westlake area."

My Mad World

By Leonore Brewer

It is generally our custom to develop a single theme in each column, but periodically a week arrives that contains so much that should be mentioned before it's too late, that we do a bits and pieces column. This is one of those weeks.

The San Francisco Ballet's Spring Season opens on our side of the Bay Thursday, April 29. From the point of view of Westlake residents, the appearance of Miss Nancy Johnson in one of the two new Lew Christensen ballets, "The Dryad," has the most interest. She has previously danced roles in "Con Amore," "The Nutcracker" and "Nothing Doing Bar," but as the dryad she will appear for the first time in a role of poetic drama. Her picture and a feature story on her appear elsewhere in the paper.

As mentioned last week, Miss Maria Tallchief and Mr. Andre Eglevsky will appear in two performances of "Swan Lake," (this, before someone sues us for misrepresentation, is of course only the second act of this work), and in two of the "Sylvia" pas de deux choreographer for them by George Balanchine. Besides these guest stars and the soloists mentioned last week, Mr. Conrad Ludlow has been added to the roster of the company soloists for the first time, as he has been assigned the role in Lew Christensen's "Con Amore," which was originally choreographed for Leon Danielian.

* * *

This seems as good a place as any to mention the fact that we noted in last week's Book Parade that Mr. Balanchine's Complete Stories of the Great Ballets has been added to the Daly City library. Anyone interested in knowing the stories behind some of the above mentioned ballets, which lack of space prevents us from telling, can find all in this valuable volume; excepting of course this year's Christensen premieres. We hope to devote a future column to this book.

* * *

If you were not so fortunate as to be Season Ticket Holders for last year's Civic Light Opera Season, but wish to become season subscribers this year, the Curran Box Office is open to take care of you. Season tickets only, individual seats a little later on. May 17, opening night of "Brigadoon," the first of the five scheduled events, is just around the corner. We are looking forward to it with a great deal of enthusiasm, even though we saw it at its previous appearance in 1949.

* * *

The final "bit" we just must squeeze in or it won't do you any good at all it that there is another "Art in Cinema" series running at the San Francisco Museum of Art. Since this particularly Series is now half over, we doubt if we will ever devote an entire column to it, but we do feel that we should mention that, having listened to several of Hollywood's better directors discuss their own and other directors' films, particularly Mr. Mitchell Leisen, we have begun to revsie our opinion about Hollywood. Not about its product, though.

Safety News From Your Local Police

The registered owner of an unoccupied motor vehicle which breaks away or slips its brakes and goes careening destructively down a hill has to answer to a new law incorporated in the California Vehicle Code.

The owner of a driverless runaway motor vehicle, whether it is parked by him or someone else with his knowledge and consent, is to be considered to be the driver and must comply with the requirements of the financial security law and, if necessary, post security, reports the California State Automobile Association. Thus a rectification has been effected in the law which, through a former inequity, required only the owner of the vehicle struck by a runaway machine to file a report and, if there were injuries or damages, to post security.

PARKING ON DOWNGRADE

When you park your car on a downgrade, turn your wheels to the curb. Be sure your handbrake is pulled on hard. A runaway car can be a killer.

WHEN ACCIDENTS OCCUR

If you have an automobile accident, stop and render aid to any required persons. Also notify local law authorities or the California Highway Patrol if there are injuries and fatalities and make a full report of the accident within 24 hours. It is also necessary to make a financial responsibility report to the department of Motor Vehicles within 15 days if damage to either vehicle exceeds $100.00 or if someone is injured or killed.

ACCIDENT REPORT
(April 19-April 25)

Total: Eight.

Breakdown: Seven auto-auto; one auto-pedestrian.

DALY CITY POLICE HEADQUARTERS GET FACE LIFTING

GROWING UP—The Daly City police department, long quartered in a cubicle in the corner of the city hall, now occupies the entire eastern section of the municipal building. The expansion program was inaugurated by the Daly City police commission to make for a more efficient department and give the expanding department a "little elbow room." Shown here in main room of department, formerly the water office, are (left to right) Commissioners Raymond Whitney and Vic Baher, Sgt. August Benassini, Juanita Giusti, police matron, and commission chairman Tony Ricci.

THE RECORD photo

Ridgeley Cummings

Fresno is a cultural desert in the lush San Joaquin Valley halfway between San Francisco and Los Angeles.

Most any native son or daughter will tell you it is halfway but to be perfectly accurate it is a little closer to the City, 187 miles to the Golden Gate and 222 to Hollywood.

That's by highway. Perhaps by train it is more exactly midway. Anyway the porters used to tell me that, when I was commuting between the two metropolises.

Until recently all I knew about Fresno was what I had seen from the double plate glass windows of the Streamliner or the Valley Daylight, or from the highway on rush trips.

Circumstance has now decreed that I must spend a month in the raisin capital of the world and I'm learning more about it.

That's why I call it a cultural desert.

Fresno is a wealthy town. The streets are full of brand new cars. The homes are full of glistening appliances. The shopping center is bustling and the movie marquees blaze brightly, offering technicolored tripe in cinemascope.

Lots of Money

The farmers and ranches who support the town are making lots of money. One fruit rasier I chatted with has 20 acres in peaches and grapes. He sold his peaches to a company that picked them, boxed them and shipped them for a flat sum of $6,000. His grapes went to the Sun Maid cooperative and he doesn't know how much he will make from them but expects to do better with the raisins than the peaches. He gets paid by dividends, depending upon the raisin market as a whole.

When a small farmer can clear $10,000 a year, things are pretty good. The ranchers with more acreage have higher expenses for they must maintain some kind of shelter for the migratory workers who harvest the crops. But most of them can afford to send their sons to agricultural colleges and their daughters to the state university.

It's not lack of money that keeps Fresno without an art gallery, a legitimate theatre, a symphony orchestra, a first class library and some traces of cultural life.

Nor is it insufficient population.

There are plenty of people, though it took me a week or so to find out exactly how many. I arrived in Fresno this time by night and by bus. Being on an expense account, I inquired of the taxi driver the name of the town's best hotel.

Great Boosters

"The California," he replied. En route there he confided that the local population was 150,000, a statement which I later learned contained more provincial pride than accuracy. Like most of the natives, he approved of his city and wanted visitors to share his feeling. However, like so many other local boosters elsewhere, he tended to confuse size with excellence, thinking that the bigger the town the more apt a visitor would be to appreciate it.

At the Californian Hotel, which in no way matched the Amabassador in Los Angeles or the Fairmont in San Francisco for splendor, but where the cheapest available room with bath was $6.50 a night, the desk clerk told me the town had approximately 125,000 inhabitants.

The desk clerk recommended an $8 room, but expense account or no, my instinctive thrift got the better of me and I settled for the $6.50. Probably this was a technical error on my part. The next morning the clerk informed me that I could keep the room only two nights. That room and all the others in that price range had been reserved for a weekend convention of the California Grape and Tree Fruit League.

Perhaps because the tree fruit growers caused me to change my mode of living and find an apartment, I took a more casual interest in their deliberations. It developed they were worried. They were losing their foreign markets and blamed it on the State Department. Apparently the various Embassies abroad have agricultural attaches and the fruit growers felt that they weren't doing right by the things that grow on trees.

While the tree fruit growers were busy figuring out how to increase sales abroad, I was equally busy hunting for a suitable apartment. I found one, a pleasant three-room place with a modern kitchen and a noisy refrigerator that is grinding away like an asthmatic cement mixer while I write these lines. The price was $16.50 a week and I mention it to indicate that living expenses are moderate in Fresno compared to the larger cities of the state, while the wages are moderately lucrative. When I say lucrative though I'm not discussing what the migratory workers get. I've heard some harrowing stories about their struggles to keep alive and raise their families. From what I've been told, the material for another and more modern "Grapes of Wrath" is present, awaiting another Steinbeck to dig it out and dramatize it.

The population of Fresno, I finally learned, is 107,900.

I got this information from The Bee. Just about everybody in Fresno reads the Fresno Bee.

This is a respectably bulky daily selling for ten cents. The paper uses compact eight point type on what looks like an eight point slug, which makes for a crowded page and difficult reading until one gets used to it.

Both the San Francisco and Los Angeles dailies are sold on the streets in competition with the Bee and many Fresnans read two papers a day, the other one usually being the S. F. Chronicle or the L. A. Times, depending upon whether their major out-of-town interests lie north or south.

The Bee is an anonymous sort of newspaper with a circulation of 90,000, pretty good coverage considering that the population of the county is estimated at 300,000.

It carries very few local by-lines and no masthead or editorial box to indicate the editor and/or publisher. At a cocktail party the other night I met three or four writers. One of them confided that he was planning a series of articles for the Bee. He said he was sure the editor would be interested in them. I asked what was the editor's name and he didn't know, nor did the other writers.

The Bee has a liberal editorial policy, despite its anonymity, and although it is weak on foreign and national news it makes up for it by full coverage of all social and political events in the city and surrounding hamlets. For anyone interested in who gave a shower for whom in some crossroads community, it is the paper to read.

Cultural Lag

And if Fresnans were deeply interested in any of the ramifications of art, science or literature, in psychology or philosophy, I suppose it would be in the Bee too. But little seems to be happening on that front. Steps have been taken since I've been in town to organize a symphony orchestra, with potential sponsors invited to attend the first meeting. I was one of five non-instrumentalists to show up. Two of the other four were the parents of the conductor.

A great little town, Fresno.

NEW BROADMOOR COP CAR IN HI SPEED CHASE

The 17-year-old boy involved in Monday morning's race with the police from San Francisco, Daly City, Broadmoor, South San Francisco and Millbrae, was released from Mission Emergency hospital Tuesday but his 13-year-old girl friend is still hospitalized with multiple facial cuts. The pair were transferred from Peninsula hospital to Mission Emergency on Monday morning.

The youth, driving a stolen 1949 Oldsmobile, sped down Alemany boulevard and the Junipero Serra boulevard extension, with nine police cards in pursuit.

Broadmoor Police Chief Ray Savage, driving a week-old Ford interceptor, was the only one of the police vehicles capable of remaining close to the juveniles as the speed of the racing vehicle moved above 90 miles an hour.

Savage reported that he was able to catch up with the youngsters once but had to slow down when they forced him on to the soft shoulder of the highway.

At the down hill curve at Crystal Springs road the youth lost control of the automobile and the car turned over three times before coming to rest. Savage, in the Ford, was the first on the scene and reportedly narrowly avoided turning over when he applied his brakes to avoid the overturned Oldsmobile.

The girl was unconscious when Savage reached the car but the boy managed to pull himself from the wreck and attempted to make a getaway on foot. Savage reported that he had to give chase and then handcuff the boy to prevent his escape.

The youth is the same one who was involved in another chase last year. At that time he escaped by jumping over a cliff near Devil's Slide near Sharp Park.

Chief Savage expressed a great deal of satisfaction at the performance of the new police car. The automobile has a 160-horsepower Mercury motor and a Mercury block. It is considered one of the most modern police cars in the Bay Area.

Actual speed maintained by the two principal cars in the race is unknown as Savage reported that he stopped looking at the speedometer after it went above the 90-miles-per-hour mark.

WESTLAKE LEGION HEARS REC HEAD

James Mason, Daly City recreation director, told of current recreation projects and objectives while speaking before the Westlake American Legion Post No. 535 Monday night at Frank Davidson's Westlake Lounge clubroom.

Mason also gave details on the $25.000 recreation building to be built in the proposed Westlake park. The building is being donated and built by Henry Doelger, Inc.

Refreshments were served after the meeting.

The Westlake Post meets the second and fourth Mondays of the month at 8 p.m. at the Westlake Lounge clubroom. A cordial welcome has been extended to all veterans.

Trustee Candidates Announce Platforms

ROY ARNESON

With the understanding that the League for Better Schools has many voluntary members in the organization from the PTA and that their sole purpose is to work for improvements in schooling for the children in our district; I therefore have filed for office as a member of the Jefferson Elementary School district.

Knowing the importance of attendance in making and solving decisions—and that each meeting should have a quorum to successfully carry out the work brought up and also knowing that each member should actively participate to help his fellow members—knowing also the needs are numerous to bring our schools to the level of a normal area—knowing these things and having experienced the inadequacy of short sessions your children and mine have had to contend with ALL THESE YEARS—makes me want to get out and do my part to help correct these drawbacks.

I am not running as a TEAM! I believe in individual ideas and feel that each member can contribute more by multiple suggestions. If any or all contributions merit consideration—I shall be present to do my share.

Realizing that cooperation of members of any organization or association makes a more successful group and that ideas and suggestions by individuals in these groups, make better, more concrete policies; let me give you a hand to make our schools better.

Herman G. Kalinin

Herman G. Kalinin, 42, of 179 Citrus avenue, seeks trusteeship on the Jefferson Union High school board.

He has been a resident of Daly City 28 years. His wife, Mildred, and himself are both graduates of Jefferson high, class of '30.

Their eldest son, Bob, a Jeff grad, class of '51, is now serving with the U. S. Army in Japan. Another son, Dick, is attending Jefferson now and will graduate in June. Their third boy, Ronny, attends Colma elementary school.

Kalinin is interested in all school activities and youth movements.

He says, "I will strive to maintain the high standard of teaching that the district now enjoys." He added that, "I will work to continue the harmony that now exists between the teachers and the board."

NEW MAYOR IS ALSO BUSY ON SCOUTING EXPOSITION

In addition to assuming his new duties as Mayor of Daly City last week, Joseph Verducci, athletic director of San Francisco State college, is busy these days with his assignment as production chairman of the 1954 Scouting Exposition, which takes place this weekend (April 30 and May 1) at the Cow Palace.

A large number of Daly City Scouts, Packs, Troops and Posts will have something useful to show as a result of their contributions to the Exposition. Craft demonstration displays are in the majority in this District.

Ten New Members

Members of Troop 248, sponsored by the Westlake Improvement association, looked around and discovered that they now have ten new members all raring to go to the Spring Camporee and not a one of them with a bonafide pack frame. Canvas, aluminum and wood will be marshalled together during the Exposition and the public will get a chance to see what Scouts can do when confronted with such a situation.

According to Robert R. Boehlein, Scoutmaster, the ability to make this item which is so useful on a hiking expedition is easily learned and comes in very handy in the money-saving department. He estimated that the boys save almost $4 on each pack frame which they make by hand and the products are quite professional. They are used to carry food, equipment and even overnight bags and are worn strapped to the back. They weigh about 2 or 3 lbs.

Booth Exhibit

Lanyards, wallets, comb cases and picture frames will all be put together at the both exhibit of Pack 62, sponsored by a Group of Parents. The boys will use scrap materials donated by companies which manufacture leather goods. For the past month and a half they have been perfecting their ability to make these items and they are earning elective credits toward a merit badge for their work on these items.

The Westlake School of Music Association Hall will show the results of the Exposition when the members of Pack 63 bring home the huge membership board which they will make for their Pack at their booth exhibit. Each boy will work on a name plaque to place on the Pack Board. The names will be burnt on the plaques and then the plaques, which will be made out of plywood, will be lacquered.

Skill in woodburning has been acquired while the boys put together their "doodles," the Scouting name for wooden spools used to designate achievements earned toward a merit badge. Each "doodle" equals an achievement. The boys learned woodburning while decorating these "doodles," which they string together on a long cord in anticipation of the day when they will stage in the Exposition Indian Village.

Central Spot

The Village will occupy a central position at the Exposition. There will be an imitation bonfire, tepees, and large Indian drums in the center upon which the boys will dance.

Each Den in Pack 63 will be responsible for one item in the Indian costume. The trousers will be made of burlap and real leather will be used in the jackets and head bands. Colored feathers and airplane paint will be used to decorate the costumes.

More than 50,000 spectators are expected to attend the Exposition, which is present bi-annually in alternation with the circus type Scout-O-Rama show under the auspices of the S. F. Scout Council. Tickets are now being sold by Scouts throughout the city at $1.00 for adults. Children under 16 are admitted free if accompanied by an adult.

Friday, April 30th Is Show Time For Lake Merced Scouts

Show-time has come for Cub Packs, Scout Troops, and Explorer Posts of the Lake Merced District, San Francisco Boy Scout Council! Today (Friday) they will join Scout groups from other parts of the city in the first performance of the biggest Scout demonstration in San Francisco history—the 1954 Scouting Exposition.

Just about everybody has gotten into the act in preparation for the big walk-through show, which will cover the floor of the Cow Palace in a huge display of Scouting hobbies, crafts, skills, and sports.

In addition to helping the boys for many months in getting ready their exhibits, scores of parents, friends, and volunteers played carpenter, painter, and general handyman last Saturday as they constructed the 200 plywood booths necessary to house the exhibits.

Scout leaders have also been making sure that the Exposition is going to be a safe and healthy operation. Complete facilities and manpower have been mobilized for the protection of the Scouts and the 50,000 spectators expected to see the show.

Volunteers from the U. S. Public Health Service Hospital will man a first aid station at the Cow Palace, with doctors and nurses on duty at all times.

A safety squad of 40 volunteers under the direction of six Army Engineers has undertaken the responsibility of checking all construction work, electrical outlets, and other possible hazards.

Police and traffic service will be provided by the San Mateo Sheriff's office, and the State Highway Patrol and the San Francisco fire department will provide men and equipment to stand by.

But this is only the framework. The real heart of the show will depend on the individual efforts of each Pack, Troop, and Post which contributes.

Responsibility for the main purpose of the Exposition—to show the public in an entertaining way what Scouting offers to boys—rests with the boys themselves.

Booth subjects will cover nearly every subject in the Scouting program, ranging from stamp collections to High Sierra Camping.

Many exhibits will deal with the subject of conservation, which has been adopted as the central theme of the Exposition in harmony with the Conservation Good Turn program adopted by the Boy Scouts of America for 1954.

The Exposition will feature a complete branch Post Office, a newspaper, puppet shows, and a large-scale Indian village, complete in every detail—all manned by the boys themselves.

There will be several demonstrations of cooking of all types, a robot factory, circus sideshows, a fire chief's car, a jet engine, a fingerprinting exhibit and many others.

The Scouts will put on three performances of their show this weekend: tonight, April 30, from 7 to 10; tomorrow, May 1, from 2 to 5; and tomorrow night from 7 to 10.

Tickets are $1 for adults, who may bring children under 16 without charge.

YOUR NEIGHBORS AND MINE

By Betty Brush

Hello Neighbors:

This is the weekend! Once each year the women of the household knows that the men in her life (little ones as well as big) have really lost their senses. All the rest of the year she can't get them up for work or for school but this weekend is different. Why? Trout season is now set to open tomorrow morning in the wee small hours at Lake Merced and if there is a man left in town by six o'clock, he must be in bed with doctor's orders. There are quite a number of the ladies who are just as addicted to the sport as the men so Lake Merced will be the place to go for sure to see anyone this weekend.

MR. and MRS. FRANK McDERMOTT of Templeton avenue have a nice tradition in their family. Each year for the past twenty-eight years they have had an Easter breakfast in honor of the latest addition to the family. As time has gone on they are now honoring their grandchildren at these affairs. This year's guest of honor was little 8-months-old EDWARD P. REARDON whose mother and father were also there on this occasion. The table was beautifully decorated with Easter candy and eggs and brunch was served to the whole family. Other members of the family gathered to pay their respects to the guest of honor were: Mrs. Leola Allen, George McDermott, Tom McDermott, Bernard McDermott and of course the host and hostess, Mr. and Mrs. Frank B. McDermott, plus Mr. and Mrs. Donald Reardon, parents of young Edward Reardon.

Having babies is so much fun when it is the occasion for family and friends to get together at a shower in honor of the newcomer. Such an event was held last week at the home of MRS. MARIE MARKGRAF of San Jose avenue. Relatives came from all points of the peninsula to get in on the fun. Very much surprised at the goings-on was MRS. MARIE HAGLER. And, oh, so excited by all the beautiful gifts.

ITEMS OF INTEREST

Starting the week off with a birthday on April 26th was MRS. DOROTHY STEWART of Vista Grande avenue. Being a very busy lady Dorothy didn't find much time for celebration but spent most of the day receiving congratulations from all of her many friends. All the best wishes from the rest of us too, Dorothy.

Back home again, to the delight of their families, are MRS. ALICE COMBS and MRS. SHIRLEY MILLER and BOBBY MILLER of Los Banos avenue. They spent a week in Drytown visiting Mrs. Combs' mother who had the time of her life with her grandson. Happy to see them back were the men folk who were worried that they wouldn't get here in time for the fishing season. All is now well—the bachelors can have their turn.

Having a wonderful birthday was MRS. PAULINE DAY of Los Olivos avenue. She was greeted by over fifty of her family and friends at a Saturday evening buffet followed by poker for the men and Mah Jong for the ladies. The food served was really a delight being all in the native manner and anything more delicious was never tasted before by yours truly. A happy birthday is wished Pauline from all her neighbors, too.

MRS. JANET FELLMAN of Peoria street did it differently this year. She went out to dinner for a change. Janet and daughter LEONA were guests of Mrs. Fellman's daughter, MRS. VIRGINIA RODONDI, as well as grandchildren, PAUL, DAVID and JANET LEE. A wonderful day was spent by all. More are looked forward to in the future.

MR. JONES has returned! MRS. McDERMOTT of Templeton avenue is very happy to announce their special pride, a German Wirehair of about 4 months who had wandered away a week ago is now back at home. She is very grateful to all who helped hunt for him and all the folks who love and have dogs understand just what it means to have a pet returned. Note to Mr. Jones—There's no place like home!

Welcoming home members of the family at holiday dinners is one of the nicest pleasures folks can have. MR. and MRS. HORACE FELLOWS were hosts to their son and daughter-in-law, MR. and MRS. BUD FELLOWS. Mama Lombard was on hand, too, to welcome them in her nicest manner and a happier Easter dinner was never had before.

MISS SHARON CASAD of Flournoy street is now fully recuperated from the injuries received in an auto accident a few weeks ago. All her many friends are glad to hear that they were not serious and are hoping to see her among them soon.

SERVICEMEN

Heard from Africa last week. Why should I be hearing from such a far off place? Well, it seems that A2/c BILL VALENTINO of the 44th Bomb Wing U. S. Air Force happens to be there. He is on a little island called Sidi Slimani in French Morocco and writes that his first week there has been quite interesting. They stopped over for a few hours in Bermuda on the way there and he wishes he could have stayed longer. At the present time is is very hot on Sidi Slimani, but beautiful. The Arabs are most interesting. He is taking it easy now while awaiting the rest of the group's arrival.

BILL BRUSH JR. and LEROY STORM are among the members of Co. L, 159th Infantry Regiment, 49th Division of the National Guard. This is Daly City's own unit and composed of the sons of your neighbors and mine. They went to Fort Barry for the weekend for rifle practice. We hear there is something special coming up in a few weeks in which they will participate so will let you know more later.

A/B LEN DIDLOTT has just about finished his basic training at Lackland Air Force Base in San Antonio, Texas. He writes that he is going to take his test soon for the special job that he wants. All best wishes for lots of luck go with him as he is a fine young man and we hope he makes what he wants in his Air Force career.

PVT. DAVE RASSMUSSEN of the U. S. Marine Corps was among the boys who were home on furlough last week. Dave is stationed in Florida but says that there is no town like ours. He doesn't know just how long it will be before he leaves us but if he follows the rest of the fellows it won't be long before he will also have an APO address.

Last week it was the ladies of the Eagles Auxiliary No. 1848 who were so very busy in the interest of the boys at the Letterman Hospital. MESDAMES LEE O'NIELL, MARY VOBORIL, JEAN BLANKENHORN, and FRANCES NENSTEIL spent one day in baking one hundred and thirty-seven bags of cookies and then the next day in taking them out there and greeting the boys in their usual cheery manner. It is a wonderful gift that these women bring to the boys. Their presence means more than then cookies to the boys who have been there for so long.

NEWS AND VIEWS

Among the over 200 children who received their First Holy Communion at Our Lady of Perpetual Help Church last Sunday was Miss JUDY MARKGRAF. After the ceremonies Judy was hostess at a buffet breakfast attended by her grandmother, MRS. CATHERINE ERICKSON, aunts and uncles — MRS. DOROTHY STEWART, MR. and MRS. K. BOWEN, and cousin STEVIE, MR. and MRS. SYL CRUZ SR., MRS. MARIE HAGLER, MRS. ALICE WAYNE and daughter MAUREEN and of course sister KAY and brother DAVID plus mother and dad, MR. and MRS. H. MARKGRAF. Judy received many beautiful gifts in honor of the occasion to treasure all her life.

Daly City was represented in the motorboat races held at Lake Merced last Sunday by Mr. WARD ANGELIE, a veteran of twenty-four years racing. He really had that boat traveling and while the results are not known at the time of this typing we are sure he was right up there with the winners.

It's a girl! MR. and MRS. LLOYD WAYNE are the proud parents of a brand new baby girl born last Friday, April 23rd. The young lady hasn't been named as yet but that will soon be remedied. By this time she should be at home where she will receive a hearty welcome from her brothers and sisters.

Last night was the night for the men folks to do the baby sitting. The ladies of Hillcrest Circle No. 143 and their guests went to the Club Casino for their annual birthday dinner. This was really an event this year as it marked the 25th year since the lodge was organized by Mama Lombard. From all reports a grand time was had by all and they are looking forward to next year's dinner.

Another milestone has been passed by MR. ERIC DIEBEL who celebrated his birthday last night. The 28th saw lots happening but to Eric it was just another day or not. We'd like to wish him a happy birthday from all the folks to go with those he received from his family and friends.

The winter bowling season is over and the Eagles Auxiliary No. 1848 team had their bowling banquet at Bob's on Broadway, Burlingame, last week. The ladies received a beautiful trophy for having won the most games in their league. They are now making plans for a possible summer session and most definitely for the next winter one.

Sympathies of all the neighbors are extended this week to the family of MRS. BRIDGET A. NOLAN who passed away last week. She is survived by her daughter, Mary Nolan, and by a brother JOHN, and sister, MARY HORAN of Ireland. The funeral was held Monday from the Mortuary of W. C. Lasswell & Co. with a Requiem Mass at Our Lady of Perpetual Help Church.

Well, neighbors, April has now seen it's last column and before long we will all be taking to the open road on weekends. Summer is always such a grand time of the year with so many activities for all of us. Let me know what's happening and I'll write it up for you. The phone is still PL. 5-6482 and call at any time as I am almost always home to greet you. Until May then—'Bye now.

Welcome To Daly City!

Department Suspends Licenses Of Two

Recent action by the California State Department of Motor Vehicles resulted in the suspension of the licenses of two local drivers and permanently reinstated the license of one Daly City man.

Ilmari Mathias, 75 Citrus avenue, and A. C. Swanson, 1228 Brunswick street were involved in departmental action which suspended their licenses to drive.

Gene Cullons Hoy, 538 Crocker avenue, received notification of the reinstatement of his license as a result of action by the department.

Traffic boys at the Holy Angels elementary school pose with Officer Henry Sundermann on the school playground. The boys, all fifth graders, are, left to right, front row: James Mayer, Ronald Martinelli, Nicholas Frank, Dennis Downey, Timothy Buckley, Charles Terry, Patrick Hoffman and John Uccelli. Top row: Edward Fitzsimmons, Terry Tracey, James Teeter, Michael Maffai, James Eberle, and Brent Smith.

Hillside PTA To Honor Faculty At Dinner

The executive board of the Hillside PTA will honor the principal, teachers and special teachers of the Colma school at a dinner to be held Wednesday, May 5, in the multi-purpose room of the school at 7 p.m.

According to Frieda Farber, chairman of the dinner, each board member will cook a dish to bring to the dinner.

The honored guests are invited to bring their husbands, wives, or favorite dinner partners to the event.

"We are expecting about 75 persons to attend, that includes the 17 board members and their escorts," said Mrs. Farber.

"Exceptional Child" Topic Of Westlake PTA Lecture

"The Exceptional Child" will be the title of a talk to be given by William S. Herbig, coordinator of special education for San Mateo county elementary schools, at the meeting of the Westlake PTA, May 6.

Mr. Herbig will speak at the regular meeting, Thursday, May 6, at 8 p.m.

In a report on the California Congress of Parents and Teachers convention in San Francisco, Mrs. Guido Pfotenhauer, Westlake PTA president, announced that the theme for the PTA during the coming year will be "Progress through Action."

"A point, brought out quite strongly at the meeting," said Mrs. Pfotenhauer, "is that spiritual faith is urgent because of the stress in the world today. Parent Teacher associations can unite in urging spiritual leaders to emphasize the areas of agreement among major religious faiths. The differences are minor. To this end we can pledge our individual and collective efforts."

Mrs. Pfotenhauer stated that the membership in the California congress totals 1,316,048. She explained that the members will all direct their work toward better homes, better schools, and better communities.

New president of the California Congress is Mrs. A. Kenneth Spencer. Mrs. Spencer was elected to her post on the final day of the convention.

SCHEDULE OF MASSES IN LOCAL CATHOLIC CHURCHES SUNDAY

Our Lady of Perpetual Help church, 60 Wellington avenue, Daly City, (PLaza 5-2377). — Sunday Masses are scheduled at 6:30, 8, 9, 10:30 a.m. and 12:15. Devotions are held on Tuesday nights at 8 o'clock.

Holy Angels church, 107 San Pedro Road, Colma, (PLaza 5-0478) — Sunday Masses are scheduled at 7, 8, 9, 10, 11 a.m. and 12:15.

Perpetual Novena is held every Tuesday night at 7:30.

Mothers' Day Offerings In Lutheran Churches

Members of Bethel Lutheran church, Alemany boulevard and Huron avenue, together with the other 5000 congregations of the Lutheran church, Missouri Synod, are planning to take up an offering on Mother's Day, for the Church's Armed Services Commission.

The program of the Commission provides for the spiritual welfare of 32,00 young men and women of the Lutheran church—Missouri Synod, who are in military service. Church and military leaders acknowledge this program as the most comprehensive and effective service carried on by any church among the military.

At the Divine Worship next Sunday morning, at 10:45 o'clock, the Rev. Herbert P. Schroeder will preach on the subject: "The Persistence of Thwarted Love."

THIEVES REMOVE STEEL PLATES FROM SP COLMA DEPOT

Three pieces of steel plate were stolen from the Southern Pacific car unloading platform, Colma, on Wednesday.

Mr. L. A. Baily, Southern Pacific agent, stated that the plates are one quarter inch thick and measured 3' x 2½', 3' x 4', and 4' x 5'.

REV. ROLAND TAPP SERMONIST SUNDAY FOR GRACE CHURCH

Guest speaker for Sunday's 11 a.m. worship service at Grace Presbyterian church, Crocker and Winchester streets, is the Rev. Roland W. Tapp from San Francisco Theological Seminary at San Anselmo.

"To Set Aflame His Story," will be the Rev. Tapp's sermon topic, with scripture reading from the 12th chapter of St. John. Tapp will be guest speaker for all services in May.

Sunday school begins at 9:45 a.m. at the Grace church.

SCHOOL DISTRICT TO PRESENT ANNUAL SPRING CONCERT

The Jefferson Elementary School district will present its annual Spring Music concert at 8 p.m. on Friday, May 7, at the War Momorial Community Center.

Members of the upper elementary grade glee clubs will participate in a portion of the program devoted to vocal selections, according to Mrs. Muriel Vint, music cordinator for the elementary district.

Students of Mr. Richard Synder, instrumental music teacher, will present a number of orchestral and ensemble selections.

Admission to the concert will be free.

California's bees produced an estimated $2,977,000 worth of honey in 1953.

Nearly 500,000 bales of California's famed Acala cotton moved through the Port of San Francisco in 1952.

Westlake Ballerina Featured In Four Ballets This Week

Nancy Johnson, 158 Crestwood drive, appears in the lead roles in four of the San Francisco Ballet company presentations this week.

Miss Johnson danced the lead parts in Con Amore and the prime performance of the Dryad on Thursday in the San Francisco War Memorial Opera House. Tonight (Friday) she will dance in Serenade, on Saturday, May 1, she will perform in the Concerto Barocco, the Nothing Doing Bar and Con Amore, and on Sunday she will again dance in the Nothing Doing Bar.

Miss Johnson and her husband, Glen Jackson, a director for television station KGO, have lived in Westlake for a little over a year. Miss Johnson is a local girl. She was born in the Marina district in San Francisco, attended Our Lady of Victory grammar school and Lowell High school.

A student of the San Francisco Ballet school, Miss Johnson studied for eight years before she made her first professional appearance in the opera Carmen. Following her debut in Carmen in 1944, the young ballerina danced until 1950 in supporting roles. Since 1950 she has had lead roles.

Maria Tallchief and Andre Eglevsky will appear on the program with the San Francisco Ballet, Sally Bailey, Gordon Paxman and Miss Johnson.

The Symphony orchestra under the batan of Earl Murray will provide the music for the performances.

NANCY JOHNSON, Westlake ballerina, appears with the San Francisco Ballet company in four ballets to be presented in the San Francisco War Memorial Opera House.

Village Notes

By Martha Pinney

GARDEN LANE

Mr. and Mrs. Stanford Hannah spent the past weekend in the Mother Lode country. One of the high points of interest was their stay at the St. George Hotel at Volcano.

Dr. and Mrs. Mayo Bryce recently entertained with a cocktail party for the Pacific Arts Association. Forty-five guests were present. Among those attending were the retiring president, Mr. Waldmar Joe Hansen and the new president, Miss Halverson of Portland, Ore. Mrs. Bryce's mother, Mrs. Marjorie Howe, who is her house guest, was also present. The Pacific Arts Association held their conference at the Fairmont Hotel.

Mrs. Martin Berlin was hostess to Congressman Younger and a group of the Republican Women of Northern San Mateo county at her home on April 22nd. Congressman Younger spoke informally to the women and then held an open discussion. Refreshments were served afterwards.

On the afternoon of April 24th a lovely investiture ceremony for Brownie Troupe 139 was held in the garden of Mrs. Robert Miller—leader of the troupe. Eleven girls were invested. They were: Susan Ecker, Gerry Geise, Diana Gold, Diana Johnson, Lynn Jones, Dawn Klevesahl, Cathy Leech, Miquette Magnusen, Jean Maita, Marietta Shanoian, Jane Williams. All mothers were present to witness the impressive service. Refreshments were served following the ceremony. Mrs. Ray Dueport and Mrs. Glenn Auer assisted Mrs. Miller in the leadership of the troupe.

The San Francisco PTA convention was held April 21-23. Mrs. Raymond Duste, the new local president, was a delegate. Many other local PTA members attended.

LOUVAINE DRIVE

Mr. Tom Gantert left Tuesday morning by plane to spend a week in New York City attending the Muzak Conference. From there he will go to Minneapolis to spend a few days with his parents and friends.

Pete Rizzo is real proud of his new Plymouth, in fact his hound-dog, Skipper, now holds second place in Pete's affections.

Mrs. Al Brown of Fresno is visiting with her daughter and son-in-law, Aleen and Ray Johnson.

Rickey Gantert celebrated his 5th birthday on April 27th.

LARCHMONT DRIVE

Mark Bonar was six years old on April 17th. Nine of his friends and himself had lunch together and then went to see the movie, "Heide."

MADDUX DRIVE

Mrs. Rosenberg is improving each day and spent Sunday afternoon at home with her family.

Donny Mitchell was 5 years old on April 25th. His mother, Gwin, also has a birthday the same day, so the occasion was celebrated with a family party.

So much more than "Art For Your Child" was given by Dr. Mayo Bryce at the Broadmoor Community Presbyterian church on the night of April 23rd, that all who heard him have a memory they will not soon forget.

Keep a date:—For the Village Fair and Festival to be held May 7, 1954, from 7 p.m. to 10 p.m. and May 8 from 1 p.m. to 10 p.m. at the Garden Village school grounds. Various organizations are sponsoring this activity to benefit the Children's recreation program to start this summer with trained supervision. There will be exhibits, music, dancing, games, rides and a tea room. Watch for a group of your friends on KPIX at 1:30 on April 30.

WASHINGTON STREET

Happy birthdays were extended to Helen Mackintosh on Sunday, April 25th. In honor of the occasion a family birthday dinner was given by her sister, Mrs. Rose Davy of Colma.

Mommy

Oh, boy, mommy, summer vacations pretty soon. Time to go outside and play all day. Something else, too — time to let me take dancing lessons at Mason - Kahn Dance Studios. I sure want to. They teach mommies and daddies real good, too.

SUSAN

MASON-KAHN Dance Studios

ADULT CLASSES, TOO!

St. Finn Barr's Group To Sponsor Two Benefit Whists

Two whist parties will be sponsored by the St. Finn Barr's womens group during the first week of May to benefit the school building fund.

A special whist will be held in the St. Finn Barr's auditorium on May 1 at 8:30 p.m. Mrs. William Mahoney is chairman of the whist and Mrs. Timothy McSweeney and Mrs. Daniel Kennedy are co-chairmen.

The second party, to combine whist with a dessert luncheon, will be held at 12:30 p.m. on May 5.

Mr. Samuel Van Pool is chairman and Mrs. Joseph Lippi is co-chairman. The party will be held in the auditorium.

Dr. Dye To Discuss African Mission

Dr. Royal J. Dye, physician-surgeon of the Belgian Congo, now retired, is to be the guest speaker at the Vista Grande Avenue Christian church Sunday morning at 9:30 and 10:55 o'clock according to Dr. Howard P. McConnell, pastor of the church.

Dr. Dye will discuss the early days of the mission station and tell facts concerning its growth through the years. Dr. Dye is reputedly one of the world's best story tellers, Dr. McConnell stated.

Sunday evening the doctor will speak at the West Side Christian church in San Francisco at 7:30 o'clock. Pictures of a recent trip to Bolenga, Africa, will be shown at that time. Kent Tiedeman of the Vista Grande church will preside, and Dr. McConnell will introduce Dr. Dye.

THREE PASS BOARD OF ACCOUNTING TEST

Three local men were among the 106 Californians who passed the California State Board of Accountancy, it was learned this week.

Joseph Friedman, 62 No. Mayfair avenue, Charles James Lee, 225 Fairlawn avenue and James Edward Wall, 167 Abbott avenue, passed the two-day examination for certified public accountants.

The examination is uniform in all 48 states and the territories. Included in the test are questions on the theory of accounting, accounting practices, auditing and the effects of commercial law on accounting.

OLD GLORY POST AND AUXILIARY HOLD JOINT INSTALLATION APRIL 24

Joint installation of the officers of the Old Glory Post No. 2044, Veterans of Foreign Wars and the Ladies Auxiliary was held April 24 in the Masonic Temple on Hillcrest drive.

The auxiliary installed its officers first. Mrs. Ethel Dorn, past president of the 12th district, was installing officer. Mrs. Caroline Peabody and Mrs. Lee Castleberry were installing conductresses.

Installed in the ceremony were: Josephine Valenti, president; Catherine McKeown, senior vice president; Leona Lombardi, junior vice president; Eleanor Cochran, chaplain; Clara Poket, treasurer; Ruth Brulez, secretary; Marjorie Johnson, conductress; Edna Ceonell, musician; Elsie Ireton, guard; Marie Gehrig, patriotic instruction; Lena Pardini, flag bearer; Mary Conti, banner bearer; Ethel Dorn, Mary Dunn, Bonnie Ellenwood and Elizabeth Sorensen, colors, Marie Gehrig and Elizabeth Sorensen, trustees.

James Yool, Madalon Post No. 2068, was installing officer for the Old Glory Post installation. He was assisted by Harry Carter, captain of the degree team from the Howard Sperry Post in San Francisco.

The following officers were installed during the rites: Robert E. Cochran, commander; Blaine Glendining, senior vice commander; Robert Burns, junior vice commander; Joseph Gehrig, chaplain; Ray Brulez, quartermaster; Robert Morris, adjutant; Charles Ireton, judge advocate; Anthony Menacho, officer of the day; Howard Ellinwood, guard; Alex Albertus, service officer; M. Nesby, post surgeon; Walter Dorn, trustee; Ralph Ellinwood, publicity.

Attending the installation were Peter Leefart, national aide de camp; Thomas Murray, junior vice commander; William McCarthy, 15th district commander; Ernest Cox, 12th district junior vice commander; Marshall Danials, chief of staff, 15th district; Clarence Johnson, senior vice commander of the San Mateo county council and Daly City councilmen Del Wilson and Michael De Bernardi.

Girl Scout Troop Visits Capitol During Easter Vacation

Five girls, of the Wild Rose patrol, Girl Scout troop No. 1, accompanied by their leader, Mrs. Audrey Sallade, toured the state capitol during Easter vacation.

The girls are all working for their "My Government" badges.

Mary Sallade, Joan McEntee, Cecilia Druary, Patsy Ricci and Cathy Sallade were the five who toured Sacramento and the capitol.

Roy Barghini To Head Citizens Group For Dematteis

Roy Barghini, 780 Niantic, was elected chairman of a citizen's committee for the retention of Superior Judge Louis Dematteis following a testimonial dinner Saturday night.

More than 350 members of 19 Italo-American service clubs in this county attended the dinner held at the Peninsula Social club in San Mateo.

TEARS SPREAD QUICKLY

Procrastinating about having any part of the car repaired usually is costly, warns the National Automobile Club. It is particularly so with regard to tears or worn spots in the upholstery. Seat cushions, particularly, get much harder usage than the owner realizes. If the fabric covering, or leather either, is torn or worn have place repaired or patched immediately to prevent it from spreading.

Art Center Plans Made By Museum Group, Artists

Plans for an expanded art center in the Parkmerced-Stonestown area were formulated Wednesday night by a group of local "layman" artists including representatives from the Westlake and Broadmoor areas.

The artists and other San Francisco Museum of Art members met at the home of Dr. and Mrs. Albert Zipser, 125 Buckingham Way.

Among the students and Museum members actively participating in getting the art center underway are Mrs. Jules Becker, 1539 sweetwood drive, Broadmoor; Mrs. Richard R. Rawson, 37 Fairway; Mrs. Robert Kingsley, 20 Forest Grove drive; and Mr. and Mrs. Lee O. Lester, 114 Westlake avenue.

Ocean View Group Slates Wednesday Meet

The Ocean View Improvement association will hold their regular meeting on May 5 at 8 p.m. in the Saint Michaels' Auditorium, 32 Broad street.

The members of the Merced Heights Improvement association have been invited to join in this meeting.

This will be candidates night, when a number of candidates for the coming election will be present.

The public is invited.

Property Tax Exemption Claims Due June 1

With only one month left for veterans to file this year's property tax exemption claims, county service officer Floyd D. Granger, and county assessor O. B. Hempstead urged veterans not to wait until the last day's rush.

"The deadline for filing aplications for the $1,000 constitutional tax exemption is June 1st," Granger said. "Eligible for the exemption are veterans of any war who were honorably discharged—also the widow, widowed mother, or pensioned mother and father of a veteran."

Property to the amount of $1,000 owned by the applicant is exempt from city and county property taxation, provided that neither the applicant nor his wife owns property with an assessed value of $5,000 or more. (City and county exemptions must be filed separately.)

The exemption applies in favor of women veterans as well as men, and when both husband and wife have the required service record, each is entitled to an exemption. However, widows of veterans may claim exemptions for themselves only.

Granger pointed out that persons in uniform at the present time are also eligible to apply. In most counties, wives may file for the exemption when the veteran is unable to appear in person.

Scout Troop Holds First Meeting, Elects Officers

The first meeting of the newly organized troop 63 of the Boy Scouts of America was held on April 19 with nine boys attending.

Attending the first meeting of the troop were, John Jenna, Billy Reynolds, George Ojakian, Jimmy Bradshaw, Jack Klassen, Jimmy and Daniel Rix, Donald Aicardi and Jack Clooney.

John Jenna is senior patrol leader of the troop, George Ojakian is troop scribe and Jimmy Bradshaw is quartermaster.

The troop, sponsored by the Old Glory Post of the Veterans of Foreign Wars, performed its first civic duty April 15, when the members aided James Mason, of the Recreation department, in cleaning up after the annual Easter Egg hunt.

Snell PTA Members To Hear Panel

A panel, representative of an average family group of adults and children, will discuss the relationship of the family budget to the children's allowances at the May 12 meeting of the James Snell PTA.

Mr. Don Pagani, principal of the Benjamin Franklin school will be moderator of the panel discussion.

The meeting will be held in the multi-purpose room of the Garden Village school at 8 p.m.

STARDUSTERS INVITE SQUARE DANCE FANS TO ATTEND MEETINGS

Announcement that the public is welcome to join the Stardusters, local square dance club, was made by Mrs. Albert Patten, 420 Sierra Point road, Brisbane.

The group meets on Friday evenings, 8 to 11 o'clock at 474 San Diego avenue. Al Patton is caller.

According to Mrs. Patton, beginners and teeners, accompanied by their parents, are welcome to attend.

Square dancing is approved by the PTA and most churches, Mrs. Patton emphasized.

Legion Auxiliary To Sponsor Benefit Luncheon

The American Legion auxiliary unit, No. 824, Broadmoor, will serve a luncheon Wednesday, May 5, at the Community Center, 87th and White streets. Mrs. Gail White, unit publicity chairman, announced.

The luncheon will be a benefit for Cub Pack No. 84. The pack is sponsored by the auxiliary unit.

Two luncheons will be served. The first will be served from 11:30 a.m. to 12:30 p.m. and the second will be served from 12:30 p.m. to 1:30 p.m.

Mrs. Foster, 840 Washington street, reported that the menu will include chicken turnovers, salad, rolls and coffee.

Tickets, 75c for adults and 35c for children, may be purchased from the Cub Scouts or by contacting Mrs. Stella Magoon, den mother.

Newman Club To Hold Post-Lent Dance

The Holy Angels Newman club will sponsor its first post-Lent dance in the parish hall Saturday, May 8, from 8 to 12 p.m.

Arline Oliveira, publicity chairman, stated that refreshments will be served.

Tickets may be purchased from a club member or at the door Saturday evening for 50c, Miss Oliveira said.

31 CUBS RECEIVE AWARDS, BADGES

Cub awards for the past month numbered 31, according to Frank Prisco, cub master of pack 62.

The boys who received awards for their cubbing activities during the month of April were: Robert Bertolini, William Baird, the Bobcat award; Mike Waller, John Peterson, Ronald Anderson, Tim Hoderfield, Jim Conley and George Rodriquez, the Wolf badge; Kenneth Pfieffer, Gilbert Moreno, Ronald Saunders, Jim Blackburn, Harvey Rentsch, Carl Calvin, Carl Curry, Steven Winn, Eric Neuner, the Gold arrow awards; Kenneth Pfieffer, Ronald Sampino, Frank Prisco, Jr., Birney Young, Carl Calvin, Carl Curry, Steven Winn and Eric Neuner, the Silver awards; John Peterson, recruiting badge; Gilbert Moreno and David Iwahashi, Lion badges; Gilbert Moreno, Segment badge; and Ronald Saunders, the Bear badge.

The cubs are planning a picnic for the summer but nothing definite has been settled as yet.

Mr. Joseph Baird, international representative, presented Pack No. 62 with a ribbon and certificate awarded for the pack's display at McGraw Drug store during National Boy Scout week.

The pack is currently selling tickets to the Scout Exposition beheld in the Cow Palace, San Francisco, on April 30 and May 1. A prize will be presented to the pack selling the most tickets to the annual event.

Woodrow PTA Installs New Officers April 19

The Woodrow Wilson PTA installed new officers for the coming term at the April 19 meeting.

Installed were: Mrs. F. Cunningham, president; Mrs. M. Plansky, vice president; Mrs. E. Hahn, honorary vice president; Mrs. C. Verhagen, secretary; Mrs. F. Watts, corresponding secretary; Mrs. R. Caruso, treasurer; Mrs. S. Davies, auditor; Mrs. R. Lobel, historian, and Mrs. O. Simonsen, parliamentarian. Mrs. Marie Miller was the installing officer.

The kindergarten rhythm band, directed by Mrs. N. Eddy, played several numbers. Also included in the program was a movie, Stepping Along With TV.

NAZARENE CHURCH TO HOLD SERVICES IN NEW SANCTUARY

The Rev. L. W. Coey, pastor of the Broadmoor Church of The Nazarene, announced that regular services will be held each week in the new Broadmoor church sanctuary following the Easter Sunday opening service in the new edifice.

Schedule of services, as listed by the pastor, are: Sunday school classes for all ages, 9:45 a.m.; worship service, 11 a.m.; Young People's society, 6:45 p.m.; Evangelistic service, 7:30 p.m. Wednesday night Bible study and prayer meeting will begin at 7:30 p.m.

"Since Sunday school is of great interest to our church, we are going to make the facilities as complete and practical as we can for enjoyable Christian training in the class rooms," the Rev. Coey said.

Rummage Appeal Made For Nursery School Benefit

An appeal for rummage was made by the Ocean View Play school this week as preparations were begun for the first annual rummage sale to be sponsored by the cooperative nursery school.

The sale, to be held May 24 and 25, at 1547 Ellis street, San Francisco, will be a benefit. The proceeds will go toward the purchase of equipment for the school according to Mrs. Robert Palmer, co-chairman and publicity chairman of the group.

Mrs. Palmer stated that the school is the only one in the area which is located in a recreation center. The school is conducted in the Ocean View recreation center, Capitol and Montana streets.

"As the only school privileged to use a recreation center as a meeting place we are pioneers of a type. If we make good other centers may be persuaded to open their facilities to use by other cooperative nursery schools," said Mrs. Palmer.

"We are the youngest school in the San Francisco district and one of two serving this area," continued Mrs. Palmer. "The other school is in Broadmoor."

All nursery schools hold rummage sales to renew their stock of equipment and keep up standards which will permit them to retain state licenses, Mrs. Palmer explained.

"The Ocean View school is still purchasing original equipment, that is, it still has not obtained a complete set of the necessary equipment," Mrs. Palmer stated.

The school currently is employing one teacher. Five mothers volunteer their services each morning.

There are 25 students enrolled in the class. The children, ranging from two to five years of age, meet each day from 9 a.m. to 12 noon.

Mrs. Palmer stated that the school hopes to be able to afford to hire an assistant teacher in the near future.

Cooperative nursery schools are under the direction of the state Welfare board. They are non-profit organizations.

Gloria Fredson is chairman of the drive. She is assisted by Mrs. Palmer, co-chairman, and Mrs. Rudy Hanson.

Persons with rummage are requested to call Mrs. Palmer, JU. 4-0607, or Mrs. Fredson, JU. 4-1461. Arrangements will be made, at the donors convenience, to pick it up, Mrs. Palmer said.

Local Man In Canada On Business Trip

Earl F. Lawrence Jr., 847 87th street, has qualified to attend an education conference in Victoria, Canada, April 29 to May 30, according to Dudley Dowell, executive vice president of the New York Life Insurance company.

According to Dowell, Lawrence is a leading field agent and a member of the 1953 Star Club.

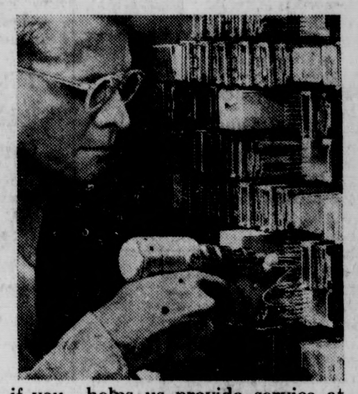
The Star club is an organization of outstanding representatives among the company's field force of 5000 agents, Dowell explained.

Lawrence is associated with the San Francisco branch of the company.

WHAT'S DOING

Thomas R. Gilbert, your Telephone Manager in Daly City

New gun shoots wire instead of bullets



If you ever visited your local telephone office, you most likely were amazed at the thousands of small wires that connect the intricate equipment. It used to be that each tiny wire connection had to be soldered by hand. But today, on some kinds of equipment, a new wire wrapping gun is used. It literally "shoots" wire around a terminal. And it grips so tightly that, if you tried to pull it loose, you'd break the wire first. By doing an important job faster, better, cheaper, the wire gun helps us provide service at low cost to you. **Pacific Telephone works to make your telephone a bigger value every day.**

Long distance calls now cost you less

The reduction in excise tax from 25% to 10%, voted by Congress, is good news for long distance telephone users. All of the reduction will go directly to our customers. It means that every long distance call you make—to anywhere in the country — now costs you less.

Enjoy the convenience of an extra telephone for just pennies a day

Anywhere in your home—in the bedrooms or kitchen . . . in the garage or basement—you can enjoy the added convenience of an extension telephone. Extensions make it easier for the whole family to place calls, receive calls. And this step-saving service is yours for just pennies a day. To order your extension, call our business office today.

How to say more in your long distance calls

You'll find you can "squeeze" more words into your long distance calls if you make notes in advance. That way, you'll cover important points in less time. Remember, too, that you'll save time if you give the operator the out-of-town number you're calling. For a free personal number booklet, contact our business office. **Pacific Telephone.**

Public Schools Week Ends With Jeff Observation

With only one major event remaining on the Public Schools Week program, local school officials voiced general approval and appreciation for the interest of the public as demonstrated by the large response to the week's activities.

Jefferson High school will hold the final public schools week event tonight when the school opens its doors to parents and friends.

The High school porgram will begin at 7:45 p.m. with a dance exhibition and selections by the school orchestra presented in the school auditorium. Mrs. Beverly Raab will direct the dance program and A. B. Runnells will lead the orchestra.

Beginning at 8:30 p.m. the "school day in miniature" will be run through by the attending parents. Parents will follow their child's daily schedule of classes. Class meetings will be 12 minutes long and passing time will be 7 minutes in duration.

H. Z. Weibel, superintendent of the Jefferson elementary school district termed the public response to the open house programs, conducted by the elementary schools, very satisfactory.

An unestimated number of persons attended the four schools open on Monday night and good response has continued through the succeeding daytime and evening demonstrations, Weibel said.

Mrs. Marjorie Tobias, principal of the Colma school, reported that about 250 parents visited the school on Monday night.

"We probably had many more than 250 guests, but so many parents had to rush in and out so fast that they just did not have time to sign the register. With circumstances such as they are, many persons had to divide the evening into as many as three parts in order to see the work of other children in the family who attend various schools," Miss Tobias explained.

"The parents were very, very enthusiastic and very complimentary about the work being done by the pupils," she said.

Colma school has an enrollment of 540. All the pupils are in the seventh and eighth grades. The school is staffed with 16 teachers and seven special teachers.

Miss Arleen Suber, principal of the Garden Village school, reported that the parents have received, quite well, the "school program in action" plan. According to Miss Suber the plan calls for class room demonstrations during class hours.

"The parents seem very happy to be able to observe the children in a learning situation and the public attendance has averaged between 15 and 20 persons per demonstration," said Miss Suber.

Exact total of persons who attended open house night, Tuesday, was not determined. Miss Suber explained that last year 500 persons attended but poor weather conditions might have caused this years attendance to be slightly less.

Garden Village school has an enrollment of 630 students. The school has a 17 member faculty plus three special subject teachers.

Westlake school, with an enrollment of 640 students, held open house on Tuesday evening with a crowd numbering around 250 attending to view the displays and exhibits.

Mrs. Eleanor Zanovich, principal, stated that a large number of parents attended the eight demonstrations held on the first two days "school program in action" demonstrations.

Westlake school has a faculty of 20 teachers.

Miss Ethel Hahn, principal of Woodrow Wilson, stated that the parents of the students seem very interested in the public schools.

The Wilson school has an enrollment of 632 students and a faculty of 19. The school provided displays and exhibits for the visitors and speech recordings were played for the parents during the evening session by Miss Norine White, special speech teacher for the Jefferson Elementary district.

A total of 375 parents signed the register Wednesday evening at Crocker school according to the Principal Elisabeth Kennedy.

Class room demonstrations were conducted during the week by the 395 pupils and 12 teachers. Displays were exhibited on Wednesday evening. Crocker school teachers only third through seventh graders.

An estimated 700 parents and friends packed General Pershing school for the open house observance Wednesday according to the teacher in charge, Miss Chrysanthe Lekas.

General Pershing school has an enrollment of approximately 400 pupils in the kindergarten through third grades.

The first building erected as a Masonic Hall in California was built by Benicia Lodge No. 5, F & AM, in 1851, and occupied until 1888.

VILLAGE FAIR, FESTIVAL ON MAY 7-8 PROMISES TO BE ENTERTAINING EVENT

The Village Fair and Festival, May 7 and 8, sponsored by many local groups in the Broadmoor-Garden Village area, promises to be one of the most gay and entertaining projects ever presented for public enjoyment. Students of the Benjamin Franklin and Garden Village schools and members of 26 organizations will participate, with booths, games, music, dancing, rides for the children, exhibits of talents and hobbies and a tea room complete with gypsy fortune-teller.

All profits from the fair will go toward a recreation program, complete with equipment and and supervision.

The fair will be held on the Garden Village school grounds, at 87th street and Village Lane in Broadmoor. General admission is free, and the grounds will be open from 7 to 10 p.m. on Friday, May 7, and from 1 to 10 p.m. Saturday afternoon and evening, May 8.

The many sponsors are: James L. Snell PTA; the American Legion Post and Auxiliary, No. 824; the VFW Lake Merced Post and Auxiliary, No. 9921; the Broadmoor Property Owners' Association; the Village Churchmen and the Women's Organization of the Broadmoor Presbyterian church; Cub Scout Pack No. 84; the Ladies' Guild of the Hope Lutheran church; Boy Scout Troops Nos. 84 and 129; the Broadmoor police department, Police Reserves and Boys' Club; the Explorer Scouts; the Senior, Intermediate and Brownie Troops of the Girl Scouts; the Traffic Boys and Girls; the Village Play school; members of Dr. Mayo Bryce's adult art class; the Y Wives; Ken and Geri Reichard, photographers; the Westlake Camera Club, and many others who are helping as individuals. Hobbies Unlimited of San Francisco and educational television station KQED are also taking part.

CAMPBELL RECEIVES PRO-AMERICAN UNIT ENDORSEMENT

Mayor F. Herschel Campbell of San Mateo, the independent candidate for District Attorney of San Mateo county, recently received the endorsement of the San Mateo County Unit of Pro-America.

Campbell is a long time resident of the county and a lawyer of more than 20 years experience.

In his statement of platform Campbell maintains that the District Attorney should serve as the legal counsel of citizens and county departments as well as prosecutor. He announced also that he advocates retention of municipal police powers by local law enforcement agencies until conditions warrant action by the District Attorney.

Two Arrive Home Aboard U. S. Carrier

Gene L. Worthington, seaman, USN, son of Mr. and Mrs. E. P. Worthington, 40 Alexander avenue and David W. Cafferata, airman, USN, son of Mr. and Mrs. David A. Cafferata, 44 Gambetta street, have returned to the United States after completing a tour of duty in Korean waters.

The men were among those who arrived "state side" aboard the aircraft carrier USS Oriskany on April 22.

The Oriskany operated as a part of the United Nations Peace Patrol off the coast of Korea.

ANNOUNCE EXAM FOR DALY CITY MAIL CARRIERS

A new written test and lowered physical requirements for Daly City post office clerk and carrier positions are included in the examination announced today by the United States Civil Service Commission, San Francisco. The post office attained first-class status on April 20.

No experience is required. The height requirement of five feet four inches has been eliminated. Age limits are 18 to 50 years, waived veterans. Applicants must be residents of the delivery zone of the Daly City post office. Appointments may be probational-permanent or indefinite.

Appointments are made to substitute positions at $1.61½ an hour. This salary increases with service and appointment to a regular position with possible increases up to $4370 a year.

Further information and applications forms are obtainable at the post office. Applications are being accepted by the United States Civil Service Commission, 630 Sansome street, San Francisco.

Miss McGrath In Franklin Hospital

Miss Winifred McGrath, principal of General Pershing school, has been seriously ill in Franklin hospital, San Francisco, for the past 10 days.

According to Jefferson Elementary district Superintendent H. Z. Weibel, Miss McGrath's condition is somewhat improved and she is in good spirits. Date of her return to her duties is indefinite.

Vista Grande Church's Mothers And Daughters Banquet Slated May 7

The annual Mother-Daughter banquet of the Vista Grande Christian church will be held on Friday, May 7, at 7 p.m. in the Fireside hall of the church.

Mrs. Maurine Engel of the Christian church of San Mateo will be guest speaker for the evening affair.

Mrs. Robert Miller, Mrs. Eugene Golden and Mrs. Verne Simpson are in chrage of the arrangements.

Tickets, $1 for adults and 50c for children under 12, may be purchased from Mrs. Miller.

Daly City Women's Committee Honors Younger At Tea

Mrs. M. J. Berlin, 127 Garden Lane, Colma, entertained recently at a tea for the Daly City Women's Committee honoring Congressman J. Arthur Younger, home on a flying visit last week to dedicate the Daly City post office, the San Mateo P.O. Annex and the Peninsula Memorial Blood Bank. Assisting Mrs. Berlin who is Garden Village campaign chairman for Congressman Younger, were Mrs. L. W. Dumheller, Colma chairman, Mrs. Charles Bried, Daly City chairman, and Mrs. John B. Drye, Westlake chairman.

Present at the tea were Mrs. Vincent Murphy, the wife of Daly City's new postmaster, and Mesdames Paul G. Selmi, John B. Drye, Tom Callan, H. C. Suenderman, W. J. Bryce, G. W. Irwine, J. J. Donnelly, Ugo Fratto, Norma Vladyka, Violette Brown, Virginia Neff, Jerome Devoto, C. E. Bried, Carl Timmons Jr., David Rushka, R. C. Nelson, L. W. Drumheller and Mrs. Berlin.

Sandra Stipelkovich Defeated In County Spelling Contest

Sandra Stipelkovich, 6th grade Westlake school student who won the Jefferson elementary district spelling bee, was eleminated from the race to participate in the state competition last week when she failed to spell the word **cemetery** correctly.

District winners meet for the county contest in Burlingame on April 23. A total of 17 San Mateo spelling champions took part in the spell down.

Winner in the contest was Susan Lampman who spelled the word **avoir du pois** after Barbara Eustace failed to spell **asceticism.**

Miss Lampman will take part in the contest in San Francisco on May 8. Winner of the San Francisco state-wide spelling bee will be sent to Washington, D. C., for the national spelling finals on May 20.

Antigone To Be SM Presentation

Sophocles' Antigone, in modern dress, will be presented by the Players' club, College of San Mateo, on May 21 and 22 in the Baldwin auditorium.

Revamped by Jean Anouilh, the adaptation utilizes modern dress. The speeches of the characters and the theme of the play are as modern as the actors' costumes.

Director Mel Ellett has named the following to the Antigone cast. Playing the role of Antigone is Myke McKenna. The role of Creon was awarded Ray Coloma. The chorus, always typical of the classic plays, is performed by one man, Bill Kirkman. Don Lewis will play the role of Antigone's lover, Haemon. Pat Taylor will play Antigone's sister, Ismene, and Jan Sproule will portray Antigone's nurse. Others in the cast are: Ken Calhoun, Ed Stollery and Frank Laurence, as members of Creon's police force, Noreen Juntunen, as Creon's wife, and Charles Moore, the messenger.

DEMOS LAY PLANS FOR POLITICAL RALLY ON MAY 1

Final plans have been made for the largest political rally ever held in the Daly City area to be held on May 1. The rally will be held in conjunction with a dance at the Daly City Memorial Auditorium. There will be dancing from 9 p.m. to 1 a.m. with music provided by the local popular leader Bud Capp. The auditorium is ideally situated for the rally and by the use of its two main halls, there will be no interference with the dancing or the greetings extended to the candidates that are coming.

Richard Graves, Democratic nominee for governor, will be the featured guest. It is believed that this will be his only personal visit to the Daly City area. Invitations have been extended to all Democratic candidates for state and local offices and it is expected that Attorney General Pat Brown, George Johnson, nominee for State Treasurer, and George Collins, nominee for State Controller, will either be here or send personal representatives.

Harold Taggart, candidate for congress, and Ted Pretzer, candidate for Assembly, will be present.

This dance and rally is sponsored by the North End Democratic club and is the first step towards the rebuilding of the Democratic party in this area. The club at the present time has over 100 active members and more workers are joining every day. By election day the club expects to have sufficient workers in the field to insure a big turn out of Democratic votes to support our strong slate of candidates. The next month will be very important to the Democratic party and the North End Democratic club hopes that all Democrats will join in this rally.

Safebuy Meat Co. To Sell Show Beef

The Safebuy Meat Co., 6318 Mission street, will have on sale Thursday, Friday and Saturday, April 29, 30, and May 1 beef from the Junior National Livestock Show, according to Dan Radovich, proprietor.

The beef will be sold at special prices on this weekend only.

The cattle were stall fed and raised by youngsters of the 4-H club throughout America and shown at the Junior National Livestock Show recently.

Do you think of yourself as a person, but of the other driver as just a motor vehicle—an inanimate moving force? Even on the occasions when the other "car" shows "you" a courtesy, do you frequently fail to let the "other driver" know that "you car" appreciates the courtesy? The California State Automoblie Association advises that, for safety's sake, you should firmly fix in your mind that all other automobiles, like yours, represent the human beings inside them and are not just inanimate moving forces.

SSF Loss Eliminates Jeffs In League Race

WARRIOR NINE HOLDS LOCALS TO 4 HITS; RACK UP 3-1 UPSET VICTORY

Three errors cost the Jeff High ball club any chance of winning the Peninsula Athletic league Friday, as South San Francisco upset the local club, 3 to 1.

The loss gave the Indians a 2-3 loss in league play and virtually eliminates them from contention.

Lowell Creighton chucked good enough game for the locals Friday, giving up only five hits.

The Jeff slugging attack was held to a total of four basehits by southpaw Frank Perez. Perez only walked one Indian.

The Daly City team was held scoreless until the final inning, when Creighton singled in Al Figone from second base.

In the third frame, Jeff leftfielder Wayne McNeal bobbled a fly ball to send a Warrior clear around the bases for a tally.

The South City club scored again in the fourth on singles by Dean Prince and Ted Leicher, aided by another Jeff error.

In the sixth, Prince beat out a bunt, made second on a sacrifice, and scored on Hal Petroni's double.

Only Jeff batsmen getting hits were Leo Villar, second baseman, Creighton, Figone, and Bob Gaggero, all of whom got singles.

HIGH SCHOOL OFFERS MOVIES OF VARSITY '53 GRID CAMPAIGN

The highest scoring team in Jefferson High school's football history will go on review Friday, May 7, as the Associated Students stage a football show at the school auditorium.

Highlighting the presentation will be the showing of four films taken during the Indian gridders 1953 campaign.

All victories for the local team, games to be screened are Gallileo, 40 to 6; South San Francisco, 40 to 6; Menlo-Atherton, 19 to 12; San Mateo, 25 to 20.

It will be the last opportunity to see such Jefferson grid greats as Jack Thur, Ray Rosa, Don Delbon, Wally Honeywell, Jim Minor and John Madden in action.

All of these athletes earned all-PAL honors last year, while Rosa and Thur also won positions on the all-Northern California squad.

The show will open at 8 p.m. with two of the movies being shown.

For the intermission a 30-minute football clinic will be held. During the clinic, behind-the-scenes strategy, explanations of signals and plays will be reviewed.

A short talk will also be delivered on the equipment used in football, how much it costs, and what it is used for. This should be of interest to taxpayers and residents of the school district, according to Joe McGrath, who will be the speaker.

A loudspeaker will be employed to identify players and elaborate on plays during the films.

Proceeds from the show will go towards repaying the Associated Students for money borrowed to take the pictures.

McGrath is faculty member in charge, while the students' committee handling the event is made up of Bill Hunter, Roberta Taylor, Carol Bertelli and John Wiesner.

Admission is 75 cents for adults, 25 cents for students.

INDIANS IN SWEEP OVER SSF

Varsity Thinclads Hold Warriors To 8 Points

Registering their most lop-sided track win in many a moon, Jefferson High school varsity held South San Francisco to a lone victory Thursday to win, 104 to 8.

The South City spikemen posted their lone win in the 70-yard high hurdles, with Larry Genardini breaking the tape. Genardini was the only varsity Warrior to tally all afternoon, amassing the eight points with his first and three thirds.

Leading the Jeff thinclads were Larry Allen and Wayne Webb, double winners, and Mike Cloonan, who in addition to registering a first in the discus and second in the shot, surprised teammates by copping a second in the 220 and running on the 880-yard relay team.

High Scorer

Cloonan was high scorer for the Indians with 12½ points. Allen topped the 880 field, finishing in 2:07.8, far from his best time, and won the 120 yard low hurdles in 14.8.

Sprinter Webb, running with a bad ankle, still managed to lead the field in both the short distances, taking the century in the fair time of 10.3, and the 220 in 23.6.

Dan Thomas, formerly a 100 and 220 man for the Jeffs, stepped up to 440 to win that event in 58.9.

John Marshall posted a victory in the mile for the Daly City squad, running a 5:13.4.

Weights Improved

The Jeffs weight events seemed a little improved Thursday, as George Seger came around in the shot to toss a 43-foot winning heave, best for any Jeff shot man in competition this year. Cloonan twirled the discus out 113 feet to win that event. Cloonan was second in the shot, throwing the iron ball out 41' 7".

Winning distance in the broad jump was 17' 10½", posted by Del Hamann. Top height in the high jump was anything but promising, as Merl Alonso, Ed Michelucci and Dave Herzog tied at 5' 1". Herzog has gone as high at 5' 8."

Neil Lundy without competition, the Jeff 880 relay team ran a 1:43 flat, way off their best time.

Local 30s Win

The Indian 30s, in winning 63 5/6 to 49½, registered six victories.

Lowell Klaisner took the 75 yard dash in 8.3, while Ron O'Rourke finished the 330 first in 41 flat. Jim Rector, outstanding middle distance man for the Jeffs, won the 1320 in 3:25.

In the weights, the Jefferson combination of George Melodia and Jim Beaton monopolized the scoring. Melodia tossed the shot 47' 21½" to win the event, with Beaton runner up, while Beaton heaved the discus 96 feet for a win, with Melodia pulling in second.

The Jeff 440-yard relay team of Rogue Domingo, Jerry Nix, O'Rourke and Klaisner won that event in 48.2, off their best time.

Leading the local 20s to a 52-16 victory was Mike Piazza, who was a double winner, taking the 75 in 8.5 and the 150 in 16 flat.

Ron Bernstein racked up a win in the 330 in 40.2, bettering the 30s winning time for the event that day.

Armando Guiterez won the 120 yard lows in 16.6.

In the field events, Bruce Lavazzano and Boyd Hillyer were winners, Lavazzano leaping 4' 6" to best the field in the high jump, and Hillyer tossing the shot 35' 1" for a win.

The Jeff 440 relay squad won, posting a 49.6 for the lap.

Tomorrow (Saturday) some of the top men on the Jeff squads will journey to Stockton for the relays there.

Slate Meet Tonight On Baseball League

Today (Friday) at 8 p.m. interested managers or sponsors for both the junior and senior divisions of the Peninsula Baseball league will meet at the courthouse in Redwood City to formulate the league schedule.

Teams for both divisions will also be signed up at this time.

All interested parties are urged to attend as this meeting will determine the number of teams and sponsore and recreation departments that will take part in this summer baseball league for boys.

Junior division will consist of the age group through 15 years, while senior division will be for boys from 15 years old through high school.

Sports Events Kaput Tuesday As Rain Hits

PAL competition for Jefferson high school athletic teams got the wet blanket treatment Tuesday, as all contests were rained out.

The Jeff-Burlingame baseball game was called, and will be held sometime after the regular season closes.

Peninsula Athletic league track and field trials, slated to get underway and be concluded today (Friday) were also rained out Tuesday. The trials will be held today as scheduled, however, weather permitting. Semi-finals will be held next Friday, while the finals are slated to be held a week from that time.

The Indian diamondmen are scheduled to meet league leader Capuchino today at 3:15 p.m. at the Millbrae field.

MOSSI GAINS FIRST WIN FOR CLEVELAND

Don Mossi, former local baseball great now residing in Redwood City, racked up his first major league victory Sunday as Cleveland took a ten-inning 10-9 victory over Detroit.

The last of a string of five Indian pitchers thrown at the Tigers, Mossi gave up one hit and one run in one inning on the mound.

Pitching against Detroit on Saturday, the Cleveland southpaw allowed two hits and one run in two innings, as the Tribe was set back, 6 to 3.

Moss chucked for Jeff in 1947 and 1948, and was active here with the Sarto A.C. club after graduation.

WESTLAKE CUB PACK 248 SATURDAY GAME OFF; MEET PACK 1 THIS WEEK

Due to an unforseen emergency Pack 248 "A" team was idle Saturday and will play fast moving Pack 36 at a later date which will be announced in these columns.

Considering the fact that 248 had only about three weeks in which to get in shape for the opening of the season they have come along surprisingly well since practically all the other teams in the league, especially those in the higher brackets, started many weeks earlier and had even had several practice games prior to the opening of the season, and as the season progresses so should 248, although there is only five remaining games.

It has been the opinion of some experienced baseball men that this team is fast developing one of the top defensive infields.

Three of the remaining four games are with top teams and there can be no relaxing in any of the games for the league is closely bunched and a win of every game is necessary to stay up there.

"It might be well for some of the coaches of summer junior and midget hard ball teams to look over some of these 248 boys, since Pinelli, Beerman and Dunan have already had some experience in hard ball and all are playing their last season in Cub Scout baseball," Coach Walter Dunan said.

There are several others on this team who have developed very rapidly in their first year of regular play. These are Don Bosberry at third base, Jeff Tambor, pitcher, Paul Boudreau in the outfield, all of whom have two years more in this league, and Chris Hanson at second base is playing his first and only year. All of these boys have a great potential," Dunan added.

SUDS WALLOP HOLY ANGELS IN CYO OPENER

OLPH Gang Outhit But Register 5-0 Victory

Behind the steady pitching of Larry Kane, the OLPH Suds shut out Holy Angels last weekend, 5 to 0, in a CYO league opener.

Kane struck out 10, walked only one and gave up four scattered hits to turn in the victory.

Actually, the Suds were outhit, but spaced out their attack nicely and executed some flashy base running to put across a more than adequate margin of runs.

Barry Krohn, OLPH first sacker, led in the basehitting department, getting two for three. One of his swats was a double.

A good sized crowd was on hand to witness the league contest.

The Suds started off the contest at a fast pace, scoring two runs in the first inning. They added one in the third and two again in the fifth.

The Suds, consisting of players from 10 to 12 years of age, have already established themselves as a junior-sized powerhouse in area competition, beating some clubs with players in the 15-year-old bracket.

Joe Sarto is the sponsor of the Suds and has purchased all equipment for the club.

The winning club was treated to milk shakes Saturday by Sarto.

The California and Oregon Coast Stage Line, started in 1871, provided transportation from Oregon points to Redding.

Goods vaued at $25,993,237 were imported through the San Francisco Customs District in 1952 from the Republic of the Philippines.

The Parks News From

With the Easter Egg Hunt over, with the exception of one prize egg at Gambetta, the parents, youngsters and community of Westlake seem to be once again in their normal atmosphere.

The continual murmuring now heard daily and continually at Westlake is the innovation of softball on the lower section of the two play areas. The turnout, predominately among the boys, has been very large and two complete games daily are usually played to satisfy the many eager participants. Among those competing are Vance Bianchi, Ross Holmgren, Steve Oppermann, Jimmy Tedesco, Rene Larrieu, Ken Schoenfeld, Roy Roberts, George Cosmo and Mike Lamanent to mention a few.

A very warm aspect of this growing enthusiasm towards soft ball, which I particularly enjoy reporting this week, and one which I hope will continue to magnify, is the Saturday afternoon game which took place this last weekend. The warmth in this story is that the dads of the several boys who continually frequent and compete in ball games were also here to participate alongside their respective sons.

A few of those dads and their sons were Herb and Doug Johnson, Pete Riordon and his sons, Gene and John Brown, George Vaught and his protege, Gary. This type of father-son companionship is a truly beautiful piece of action and it would certainly be a pleasure to participate in more of this type game. So how about it fellows and dads? Westlake is always open to this type of community and family unity.

Islais Creek in San Francisco is the site of some of the port's major postwar developments.

BEERMAN TOPS CUB BATSMEN WITH FAT .632

Pinelli, Hanson Are Runners-Up With .524

After five league games, Clark Beerman, first sacker for the Westlake Cub Pack 248 "A" team, leads the squad in hitting with a fat .632.

Beerman has registered 12 hits in 19 official times at bat.

Babe Pinelli and Bill Hanson are runners-up with nine hits in 17 attempts, for healthy .524 averages.

Wayne Bosberry boasts .466, hitting seven times in 15 tries.

Following is a rundown on team batting to date:

	ab	h	avg.
Beerman	19	12	.632
Pinelli	17	9	.524
Hanson	17	9	.524
Dunan	14	6	.428
Boudreau	14	5	.357
Holland	3	1	.333
Tambor	12	4	.333
Henley	14	3	.214
Pass	5	1	.200
Smith	9	0	.000
Johnson	3	0	.000

Team average: .401.

Johnson Tamale Tops Bucs, 6 to 5

Westlake's Johnson Tamale hardball team, now playing in the spring recreation "A" league, took the measure of the Bucaneers Sunday, 6 to 5, in a game held at the Funston diamond.

Chuck Maynard, who formerly tossed for Jefferson High school, pitched a steady game for the Tamale nine, allowing only five hits. Maynard was particularly effective with men on base.

Jeff Varsity Mermen Topped By Lincoln

Jefferson High varsity swimming team got dunked last weekend, 50 to 25, as they could score only one victory against a strong Lincoln team.

The Jeffs made up for the loss in the lightweight divisions by copping the 30s, 49 to 17, and the 20s by forfeit.

The Indians varsity's only win was in the four-man relay, with the team of ruelas, Schieve, Saunders and Galindo winning in 1:49.1.

REVISED RESULTS OF N. CAL. JR. GOLF

Following are the revised results of performances by Jefferson linksmen at the California Junior Golf tournament, as released by Mike Orlich of Jefferson High school:

Jim Courts was defeated by Gary Galli in second flight play. Galli went on to lose to Gary Bachman of San Mateo in the finals.

In the fourth flight, Aldo Bacigalupi defeated Dick Stokey. In the semi-finals, Bacigalupi was set back by Brian Van Paul, who copped his flight.

LIDO LANDI BESTED IN COMMUTERS GOLF; SILVESTRI WINS INVITATIONAL

Lido Landi of Sharp Park took an early lead in the finals of the Alameda Commuters' golf championship last weekend but faded in the final holes to drop the championship to Tal Smith, who bested him, 2 up.

Birds on the ninth and tenth holes squared Smith with Landi, and Smith was never headed from then on.

Smith finished the first 18 holes with a two under par 69 to Landi's 70 and held a 2 up lead going to lunch. In the afternoon he was still even with par, although he knocked one out of bounds on the third, or twenty-first, and hit the lagoon on the sixth, or twenty-fourth.

The winner was still one up at the twenty-seventh and two-putted the tenth, or twenty-eighth for his winning birdie. However, little Lido didn't give up and cut the margin down when he tanked a 30-foot birdie effort on the next hole.

Another local player, Bob Silvestri of Westlake, fared better in tournament play over the weekend. Teaming up with Dr. Bob Knutson, Silvestri's team turned back Joe Shriver and Dick Yost, 1 up in 38 holes, to cop the California Club Invitational.

Silvestri and Knutson were 11 under on the best ball, and Silvestri was seven under regulation figures on his own, only missing two greens in 38 holes.

The Shriver-Yost duo led two up with only two to play, but bad tee shots lost them both the thirty-fifth and thrity-sixth to pars and, after halving the first extra hole with birdies, the winners got their needed par on the second, or thirty-eighth, to claim the championship.

THANKS EXTENDED TO PERSONS WHO AID CUB LEAGUES

Walter Dunan, coach of Cub Pack 248 "A" baseball team, this week extended thanks to the "people behind the scenes" that make the "A" and "B" leagues possible.

Stu Maher, president of all leagues and his vice presidents, were thanked by Dunan, as was Mrs. Virginia Smith, secretary, who schedules all the games, "listens to all the beefs" and juggles the sked around so all the teams can make up postponed games.

"Certainly all of these people, especially those who no longer have youngsters in cubbing or scouting but are doing their great part to make this possible for your kids and mine are entitled to a great big 'thank you,'" Dunan concluded.

SWIG, KIPPEN PACE FIELD IN MERCED STAKES

Mel Swig and Henry Kippen topped their respective fields in sweepstakes held the past weekend at Lake Merced Golf and Country club.

Swig fired a 79-8—71 to win the Class A play Saturday, while Kippen compiled a 79-12—67 to lead the field Sunday.

Saturday

Class A—Mel Swig, 79-8—71; Sherman Selix, 75-4—71; Max Friedman, 84-13—71.

Class B—Ray Kasson, 80-13—67; Manie Matzger, 83-14—69. Dr. Ed Haas, 89-19—70.

Sunday

Henry Kippen, 79-12—67; Leonard Bloch, 75-7—68; Sam Ladar, 83-14—69; Ferd Lachman, 80-11—69; Johnny Haster, 81-12—69.

DALY CITY TEAM SEEKS OPPONENTS

The Daly City Raiders, a first year hardball team, announced this week that they're "ready and willing" to play ball but they need some opponents.

Desiring games in the 10-12 year age class, they would prefer contests on a home and home basis.

Any teams interested may make arrangements by phoning Billy Reynolds, PL. 5-3945, between 5 and 7 p.m. or write Ken Ryan, 3411 Devon Way, Redwood City.
